SANTA ANA, CALIFORNIA, FRIDAY EVENING, NOVEMBER 15, 1912.

50 CENTS PER MONTH

## TRUCE READY BUT ALLIES FIGHT ON

Bulgars Pierce Moslem Ranks  
at Many Points as They  
Continue Warfare

## CONSTANTINOPLE SEEMS GOAL IN SPIKE OF PEACE

Servians Advancing on Monas-  
tir; Sieze Debramira; Bulgars  
Have Reached Kilios

**CONSTANTINOPLE, Nov. 15.**—Warning that Bulgaria alone was not authorized to grant an armistice, and that the other Balkan allies must be consulted, was served on the Porte today by foreign ambassadors. This is interpreted to mean that Ferdinand will occupy Constantinople and will insist upon harsher terms than have already been suggested.

**LONDON, Nov. 15.**—Turkey and Bulgaria have agreed definitely upon an armistice, according to a Central News dispatch from Sofia, via Bucharest, which is yet unconfirmed.

**RUSSIA PESSIMISTIC, BUT ENGLAND HOPEFUL.**  
**LONDON, Nov. 15.**—Contradictory reports on the situation at Constantinople continue to pour in today. Diplomats are admittedly puzzled over the conditions. Dispatches from the front said the Bulgarian attack on the Constantinople forts has been continued with the Moslem defense pierced at many points.

If true it indicates that Czar Ferdinand is determined to carry Constantinople before granting the Turkish plea for a cessation of hostilities, pending the signing of the peace pact. St. Petersburg dispatches are most pessimistic. Russian officials seeing no peaceful solution so far as the division of Turkish territory is concerned. The English take a different view, not believing that Russia and Austria will dare to make a move, for fear of precipitating the greatest war in history.

**Armistice Reported Signed.**  
**PARIS, Nov. 15.**—Dispatches from Constantinople this afternoon say the armistice between Turkey and the Balkan allies has been signed. The report is unconfirmed from any of the Balkan capitals. The terms are not divulged.

**SOFIA, Nov. 15.**—Official announcement was made today that the requested armistice with Turkey was unsigned, but had been prepared, and only awaits the arrival of Czar Ferdinand from the Bulgarian front for approval. Until all allies sign the agreement, it is announced that Bulgaria will continue hostilities.

The terms are said to include the possession of Constantinople by Bulgaria, the Serbian occupation of Monastir, the Greek occupation of Janina, and the Montenegrin occupation of Scutari. The allies plan to hold all the territory they have captured.

**BERLIN, Nov. 15.**—With Turkey hopelessly beaten in her struggle against the Balkan allies, the possibility of serious trouble among the victors when it comes to divide the spoils is seen by the diplomats today. Reports from Belgrade and Athens say the government officials of those capitals are certain that Ferdinand intends to proclaim himself czar of all the Balkans, which will cause the other allies to stand unitedly against him.

**Fearful Cholera Epidemic.**  
**CONSTANTINOPLE, Nov. 15.**—Telegrams state that seven thousand cases of cholera exist among the Turks defending Tchaatja. The epidemic is increasing at the rate of five hundred daily.

**Bulgars Steadily Advancing.**  
**BUDAPEST, Nov. 15.**—Reports from the front say the Bulgars are advancing regardless of the peace negotiations. It is reported that the vanguard has reached Kilios, the Black Sea entrance to the Bosphorus. Ottoman resistance is crumbling hourly.

**Servians Advance on Monastir.**  
**BELGRADE, Nov. 15.**—The Serbian vanguard today captured Debramira, five miles from Monastir. Monastir will be attacked when the main body arrives.

Dispatches from Salonika today state that a detachment of Greek forces has started for Monastir to reinforce the Servians advancing on the city.

## LABOR FEDERATION TO FIGHT I.W.W.'S WARFARE PLANNED

**ROCHESTER, N. Y., Nov. 15.**—Plans to organize unskilled laborers in a determined fight against the Industrial Workers of the World, occupied today's session of the American Federation of Labor.

## Schenectady's Mayor Got \$50; 50 Days in Jail

**LITTLE FALLS, Nov. 15.**—Charged with violating a city ordinance in addressing a crowd of strikers, Mayor George Lunn of Schenectady, a Socialist, was today sentenced to fifty days in jail and fined \$50. Lunn refused to pay the fine, saying: "This is a question of principle. I won't pay a dollar for quoting Abraham Lincoln—that's what the charge amounts to." The case will probably be appealed.

## Bulletins of News

Hot from the wire up to 3:30 p. m.

## THE WEATHER

Fair tonight and Saturday;  
light north winds.

## Diplomats Abroad to Hang Onto Present Jobs

**WASHINGTON, Nov. 15.**—The report from Vienna that Ambassadors Herrick at Paris and Guild at St. Petersburg were going to resign before March 4 was denied by the state department today.

## President and Mrs. Taft Hosts To Daughters of Confederacy

**WASHINGTON, Nov. 15.**—The President and Mrs. Taft were hosts yesterday afternoon to the United Daughters of the Confederacy, now holding their congress in this city.

## Blaze in Bank of England Quickly Quenched

**LONDON, Nov. 15.**—A fire started in the Bank of England last night, but it was quenched with slight loss with the bank's own fire apparatus.

## Kansas Champion Husker Conquers 100 Bushels in 10 Hours

**TOPPEKA, Kas., Nov. 15.**—Henry Hardwick of Lyons holds the season's husking record so far, after having cleaned, cleaned and cribbed 160 bushels of corn in ten hours.

## Hiram Maxim, Jr., Invents Motor Boat Silencer

**HARTFORD, Conn., Nov. 15.**—The very latest of the noise-suppressing devices of Hiram Percy Maxim, Jr., of this city, inventor of the noiseless gun, and son of Sir Hiram Maxim, the noted English ordnance expert, is a successful motor-boat silencer exhibited today.

## Jack Johnson Released From Jail on \$30,000 Bond

**CHICAGO, Nov. 15.**—Jack Johnson, indicted for white slavery, was released on \$30,000 bail bond today. The bonds were signed by Matthew Baldwin, a real estate man and the negro's mother.

## Wolverton Will Manage Sacramento Coast League Team

**SACRAMENTO, Nov. 15.**—A deal was closed today whereby Harry Wolverton, manager of the New York Americans, will manage the Sacramento Coast League team next season. The contract calls for one year, and the largest salary ever paid a Coast League manager.

## Glad Lewis Was Acquitted of Toliver Killing

**SAN DIEGO, Nov. 15.**—Hubert Lewis, lately acquitted of killing Mrs. Kate Toliver, wife of the inventor, has received a letter from Mrs. M. M. Martin expressing delight at his acquittal, saying she was Toliver's wife for twenty years and her life was a martyrdom.

## LOS ANGELES W. C. T. U. CELEBRATES SOME RECENT VICTORIES

**LOS ANGELES, Nov. 15.**—In celebration of the recent temperance victories, the Federation of the Women's Christian Temperance Union gave a banquet rally and love feast last night at the church Federation with about 160 in attendance.

Each of the thirty unions was represented by its pastors as a special guest at the festivities. Mrs. Catherine Pierce Wheat, president of the federation, presided as toastmistress. The principal address of the evening was given by Miss Rena Mosher, national superintendent of the young people's branch. Readings were given by Mrs. Lydia Woods Talbot.

## FISHERIES TREATY RATIFIED

**WASHINGTON, Nov. 15.**—Secretary Knox and British Ambassador Bryce ratified the North Atlantic fishery treaty between America and Great Britain today.

## ARE ENLARGING THE CAPACITY OF JAIL

Workmen are employed remodeling the interior of the county jail. The felony cages will be extended to the east entrance of that section of the jail, and a new floor will be put in above the cages, and new cages put on the second floor. The work will take about six weeks.

## CAMPAIGN ENDS STATE CLAIMED 66,000 TONS SLICED NOW FOR T. R. BY 250

Santa Ana Co-Operative Sugar  
Co. Closes Its First Season  
Successfully

McCabe Bases Statement on  
His Review of Returns From  
Every County

Both 'FRISCO FRIENDS AND  
FOES AGREE HE IS AHEAD

Spreckels Raising \$25,000 for  
Los Angeles County  
Election Probe

**SACRAMENTO, Nov. 15.**—Governor Johnson's private secretary, McCabe, after a review of the official and unofficial returns of every county in the state, said today that Col. Roosevelt had apparently carried California by more than 200 plurality.

Nothing was given out at the secretary of state's office today as to the county totals corrected. Seven men are employed with adding machines in compiling the official figures. All county returns where errors appear are being sent back for correction.

## OTHER SIDE GIVES T. R. LEAD OF EIGHTY-SIX

**SAN FRANCISCO, Nov. 15.**—Claims made by the Progressives that Roosevelt is ahead forty-eight votes in California were curiously eclipsed today from the anti-Roosevelt side, which gave the Colonel a lead of 86.

## SPECKELS HIRES BURNS DETECTIVES IN ELECTION CASE

**LOS ANGELES, Nov. 15.**—Declaring no stone will be left unturned to unearth alleged frauds in Los Angeles County ballots, Rudolph Speckels, the San Francisco millionaire, today employed Burns detectives to work on the case. Speckels, who is raising \$25,000 for the Democratic investigation, said that money would be but a secondary consideration in the case.

## Longworth Loses Out CINCINNATI, Nov. 15.

The official count of Hamilton county, made public yesterday by the board of elections, shows that Congressman Nicholas Longworth, son-in-law of Colonel Theodore Roosevelt, was defeated for congress in the first Ohio district by Stanley Bowdler, Democrat, by ninety-seven votes.

## LARZ ANDERSON DONATED \$25,000 TO TAFT CAMPAIGN

**WASHINGTON, Nov. 15.**—Larz Anderson, present minister to Belgium, donated \$25,000 to the Taft campaign in 1908. Now it is proposed by President Taft to make him Ambassador to Japan, to succeed Charles Page Bryan, the appointment having been announced yesterday. It was hinted last night some senators may oppose confirmation of the appointment because the Clapp committee hearing brought out the fact of the \$25,000 contribution.

## "ARTIFICIALLY STAINED"

Oranges Sent From Lindsay, Calif.,  
Seized in Illinois Under Pure  
Food Law

**CHICAGO, Nov. 15.**—Six cars of oranges, which the government charges were "artificially stained and colored, to conceal their inferiority," were seized by the deputy United States marshals at Proviso, Ill., yesterday under the pure food and drugs act. The fruit was shipped from Lindsay, Calif., and five of the cars were consigned by the Lindsay Fruit Association to branches in several cities. The sixth carload was shipped by the Central California Citrus Exchange of Lindsay to the California Fruit Growers' Association at Toledo, O.

## DARROW CASE LIKELY TO BE DISMISSED IS RUMOR

**LOS ANGELES, Nov. 15.**—A lengthy conference yesterday afternoon between Clarence Darrow and W. J. Ford, assistant district attorney, at the latter's office led to the belief that negotiations were in progress that might lead to the dismissal of the case against Mr. Darrow, whose second trial on a charge of bribery in connection with the McNamara case is set for November 25. It was denied by both Mr. Ford and Mr. Darrow that such negotiations were in progress.

## DIDN'T LIKE HIS JOB, HIS GRUB OR KEEPER

Miguel Moreno, a Mexican sent to the county jail on October 23 to serve ninety days for disturbing the peace at Anaheim, made his escape from the street-cleaning gang yesterday. Moreno was at work with the gang on North Broadway when he eluded the guard, and got away. He has not been caught.

## ALEXANDER WILL TRY TO BREAK UP HIGH LIVING COST

**LOS ANGELES, Nov. 14.**—Determined to break up an alleged combination of dealers raising food prices, Mayor Alexander stated today that he would recommend to the council the appointment of a special prosecutor to investigate conditions. He said:

"Undoubtedly combines exist which are raising the cost of living here. It is time some drastic and effective action is taken." The Mayor proposes to secure evidence and carry the case into the courts.

## BEST ON EARTH FOR GROWING LEMONS AND VALENCIA ORANGES

Judge Call, Expert Fruit Man, Gives High  
Praises to Citrus Section of Orange  
County

**ORANGE, Nov. 15.**—Orange county has the finest lemon and Valencia orange growing section on earth.

This assertion was made yesterday at the annual meeting of the San Joaquin Orange Growers Association by Judge Call of Corona. The speaker said that he had been around over the world and was well acquainted with most of the fruit growing sections.

"I don't believe that you people fully appreciate the fact that you have the best section on earth for the growing of lemons and Valencia oranges," said he. "The soil and climate conditions here are not excelled anywhere." Judge Call delivered an interesting and instructive talk on the cultivation of orchards. A valuable address was delivered by G. Harold Powell, formerly a government experimental leader, now secretary of the California Fruit Growers Exchange of Los Angeles.

He pointed out the necessity of co-operation, and dealt particularly with the marketing end of the fruit growing business.

The annual meeting of the stockholders was held at Campbell's Opera House, and the attendance was good. The reports of Secretary Smart showed that the Santiago association this season had done as well or better than any other orange growers association in Southern California.

At noon a luncheon was served. The directors elected were J. A. Maag, A. H. Stutsman, V. V. Tubbs, D. F. Campbell, D. P. Crawford, A. N. Saxton and D. C. Drake. These men were all on the old board except Drake, who takes the place of W. H. Burnham. Burnham retired from the board because he could be here but little of the time. The directors will meet next Saturday to organize.

## NEW YORK WOMEN BOUND TO VOTE

Many Ardent Suffragists May  
Move to Michigan to Ac-  
quire Ballots

**NEW YORK, Nov. 14.**—A new suffrage scheme was hatched yesterday. The women have found a short cut to the ballot box and some of them mean to get there whether New York gives suffrage to them or not.

The scheme is the result of an inspiration on the part of Mrs. John W. Brannin of the Women's Political Union. Some inquiring mind among the habitués of the union's headquarters discovered that easy is no name for the job of qualifying for citizenship in the state of Michigan.

Now that suffrage has won out there, any woman who meets the other conditions can secure the right to vote in Michigan by merely spending six months in the state. That is just exactly what Mrs. Brannin proposed today that the New York women do. The idea caught like fire.

Mrs. Harriet Stanton Blatch herself decided that the climate of Michigan would just suit her in 1913.

## OFFICIAL SCORES FOOTBALL

Will Introduce Measure to Cut Out  
Game From Texas Schools—  
Saw 4 Men Carried Off

**FORT WORTH, Tex., Nov. 15.**—Allen Waddell, chairman of the State Live Stock Commission and member of the Educational Commission, has announced that when the legislature meets in January he will cause to be introduced a measure abolishing football from every university, college and school in Texas.

This decision followed his attendance at the Oklahoma-Texas A. & M. game Saturday.

"Why, I saw four men actually carried off the field," he said. "If I fail to get such a law enacted I will try to get the appropriation for the A. & M. College cut down unless the faculty abolishes football."

## RIG IS BURNED WITH \$3000 LOSS

**FULLERTON, Nov. 15.**—An oil rig on the Fullerton lease was burned to the ground Wednesday night but no one was injured. It is said the loss will be about \$3000.

## ANNOUNCEMENT CONCERNING RULES OF THE PARCELS POST

To the Public: Under orders just received from the Postmaster General, the following important features are given to the public concerning the operations of the parcels post system, which goes into effect January 1, 1913:

1. Distinctive stamps will be provided for all parcels post matter, which must be used exclusively on that class of mail, which includes all matter now known as "fourth class," or merchandise. Parcels post matter bearing ordinary stamps will be "held for postage."
2. Parcels will be mailable only at post offices, branch post offices or stations.
3. All parcels must bear the return card of the sender; otherwise they will not be accepted for mailing.

Very respectfully,  
LINN L. SHAW, P. M.

## TVEITMOE IS ACCUSED OF CRIME

McManigal Says Labor Leader  
Suggested Dynamiting the  
Times Building

## E. A. CLANCY AIDED IN PLANS; TVEITMOE HAPPY

Says Jim McNamara Regretted  
so Many Were Killed, But  
Was Paid \$500

**INDIANAPOLIS, Nov. 15.**—A sworn declaration that the first suggestion to dynamite the Los Angeles Times building came from Olaf Tveitmoe, secretary of the California Building Trades Council, was made today by Orville McManigal in the trial of the forty-seven unionists charged with transporting dynamite illegally.

E. A. Clancy, another San Francisco labor leader, assisted in carrying out the plans. McManigal says Jim McNamara gave him full details while on a hunting trip near Conover, Wisconsin, after McManigal had accused him of shooting him with a revolver.

"Jim told me," the witness declared, "that Tveitmoe was his paymaster on the coast. He said there never was anything to fear out there, for Tveitmoe was a friend of Mayor McCarthy's."

"Jim regretted that so many people were killed but seemed sorry that Gen. Otis escaped. On his way East, he said he was frightened, because people were talking of the explosion and he imagined everybody was looking at him. Finally he could stand it no longer and got off at Salt Lake City and remained for two weeks hiding in the home of J. E. Munsey, a labor leader. Also at Tveitmoe's suggestion, Jim told me infernal machines were placed at the homes of Gen. Otis, Zeehandelaar and the plants of the iron works. Tveitmoe was the happiest man in San Francisco after the explosion. He gave Jim \$500."

McManigal was temporarily excused after finishing his testimony about the Pacific coast dynamitings. George Phillips was called to the stand and told of selling 500 pounds of giant powder in Oakland to three men in September, 1910. He identified the picture of James McNamara as being that of one of the men.

## U. S. AVIATION TRAINING

Government Selects San Diego as  
Location for Winter School  
of Aviation

**WASHINGTON, Nov. 15.**—Preparations to train a considerable number of hydro-aeronauts for the army this winter are being made, San Diego, Cal., having been selected as the scene of action.

The large island in the harbor will be utilized as the headquarters. It is the opinion of the army aviation officials that at least ten men can be developed during the season into veteran manipulators of the over-water flying machine. Glenn H. Curtiss has agreed to devote his time this winter to the training. The army has purchased a "flying boat"—a more advanced type of the hydro-aeroplane—and this will be sent to San Diego.

## Y.M.C.A.'S WANT SOME BASKET BALL GAMES

Suggest Basketball Tournament for Winter Season on  
the Armory Grounds

The local Y. M. C. A. have got a basketball team and they want to get some games with other teams. There ought to be a good basketball tournament held in Santa Ana this fall and winter, and the athletic committee of the Y. M. C. A. is trying to get something started along this line. The games would be played on the Armory athletic ground at the corner of Fourth and Birch streets.

Any captain of a basketball team, or anybody who can get a team together should see R. Raymond Miles, chairman of the Y. M. C. A. Athletic Committee.

These games should receive a good amount of support from the young men of the churches, Bible classes and other organizations of the city.

## News of Local Athletics and Sports

### TEAM IS READY FOR PASADENA CLASH

Santa Ana Players Tuned for the Game Tomorrow—Rooters by Hundreds

(By Vern Smith)

The mighty Red and White Warriors of the Santa Ana High School are ready and waiting for the fierce battle with the undefeated Pasadena men football eleven, which is to be played on the Lincoln Athletic Park gridiron Saturday, Nov. 16.

For the last two weeks Coach Ratcliffe has been hammering new plays and a better defense into the red-sweated men. Abandoning some of the old plays, a series of new and better plays are being operated and from the looks of things now Pasadena will probably go home with the small end of the score.

The two teams are very evenly matched. Although Pasadena probably outweighs Santa Ana, the latter will make that up in speed. Being so evenly matched the game is guaranteed to be one of the hardest football battles ever staged on the local gridiron. Both teams have good reputations and are equally decided to win. Consequently there will be something doing every minute.

**Special Train**

Pledging themselves loyal to their team the Pasadena rooters have chartered a special train on which about 250 enthusiastic football supporters will come. With this aggregation present everything in the line of excitement is sure to be pulled off.

On the other hand over 500 supporters of the Red and White assembled for song and yell practice today. With all the newly acquired songs and yells the Santa Ana rooters expect to give the visitors a warm reception.

Saturday afternoon the Santa Ana High School football rooters will give a free street parade, exhibiting the mighty Red and White Warriors who expect to be the first team this season to defeat the Pasadena squad. The game will be called at 2:30 p. m. sharp.

### TASTE, SMELL AND HEARING RESTORED

A Simple, Harmless Remedy Quickly Relieves Catarrhal Deafness

The thousands who suffer the miseries of colds and catarrh and claim they have never found a cure can get instant relief by simply anointing the nostrils with Ely's Cream Balm.

Unlike internal medicines which upset the stomach, or strong snuffs which only aggravate the trouble, this cleansing, healing, antiseptic Balm instantly reaches the seat of the trouble, stops the nasty discharge, clears the nose, head and throat, and brings back the sense of taste, smell and improves the hearing. More than this, it strengthens the weakened and diseased tissues, thus protecting you against a return of the trouble. This remedy will cure a cold in a day, and prevent its becoming chronic or resulting in catarrh.

Nasal catarrh is an inflammation of the membrane lining the air passages, and cannot be reached by mixtures taken into the stomach. Nor can it be cured by snuffs and powders which only cause additional irritation. Don't waste time on them. Get a 50 cent bottle of Ely's Cream Balm from your druggist, and after using it for a day you will wish you had tried it sooner.

Mothers should give the children Ely's Cream Balm for colds and croup. It is perfectly harmless, and pleasant to take.

### OCCIDENTAL AND POMONA TOMORROW

OCCIDENTAL COLLEGE, Nov. 15.—Coach Pipal put his Tigers through final scrimmage last night, and now all is in readiness for the big game of the year with Pomona, Saturday. This annual game has come to mean as much to fans of Southern California as the Yale-Harvard game means to the football enthusiasts of the east.

For the past three years the Pomona sage-hens have been routing the Tiger from his lair and this year the sting of these defeats is weighing heavily on the Occidental rooters. The wearers of the black and gold have the best combination of football material which has been turned out for many a year. But the jinx has been on the Tiger trail again and the team which lines up against Pomona Saturday will be without the services of Sammie McClung, star half-back, and "Duffy" Seay, last season picked as all-southern quarter-back will be handicapped by a shoulder not yet entirely well from a dislocation received at San Diego two weeks ago.

The game this year is sure to be exciting. Neither team has been compelled to show its hand. Many new plays will undoubtedly be pulled off by both sides, and the outcome is uncertain, but all hope gives the Tigers a fighting chance.

### GRAVATH SELECTED STORE'S NEW STOCK

Gavvy Gravath, the slugging outfielder of the Philadelphia Nationals, who is a graduate of the sand lots of this city, is probably as capable of choosing baseball bats and gloves as any professional ball player of this decade. The heavy batter has been a terror in every league in which he has played, and his keen judgment of plays has made him a most valuable and brainy player. Gavvy is a good booster for Orange county, and especially Laguna Beach, where he spends his winters, and it was through his boosting that the baseball colony was formed at Laguna Beach.

School athletics are his hobby, and whether baseball or football is the theme, the big fellow is always interested. Gavvy looked over the baseball goods of Hill & Walker, and knowing the needs of the game as he does, volunteered to personally choose their new stock. Gavvy was accompanied by Toots Schulz, the Philadelphia National pitcher, and the two spent a busy day in Los Angeles picking out bats, gloves and other baseball paraphernalia.

Gavvy has among his relics a baseball used by the famous Christy Mathewson of the New York Giants, and Alexander of the Phillies. This ball, with his famous "stick" and uniform, are on exhibition in the window at Hill & Walker's, 221 West Fourth street.

### JEFFERSON'S TEAM WINS CHAMPIONSHIP

Last Friday the Jefferson football eleven won over the Lincoln eleven by the score of 20 to 0, on the Lincoln grounds.

Jefferson, by this victory has won the championship of the grammar schools of the city, having defeated all the other teams except McKinley, who lost to Washington, who in turn was defeated by Jefferson.

The Jefferson boys lined up as follows in the game against Lincoln: White, RE; Glass, RT; Pierce, RG; Chapman, C; Rouse, LG; I. Petz, LT; Warner, LE; Davis, QB; Jameson, RHB; R. Petz, FB; Wallace, LHB.

### THE BEET BARBECUE HAS BEEN POSTPONED

The Beet Growers' Barbecue advertised for November 16, 1912, at Artesia, has been postponed on account of the inability of the sugar factories to finish the campaign by that date. Announcement will be made later of the day selected.

**Weather Record**

Kept by Justin M. Copeland, 615 North Sycamore street, Santa Ana, for the week ending Nov. 14, 1912.

8	76	49
9	68	52
10	66	53
11	67	41
12	75	41
13	79	41
14	72	43
Rain for week		0.10
Rain for season		1.10

**Porto Rico's New Wonder**

From far away Porto Rico come reports of a wonderful new discovery that is believed will vastly benefit the people. Ramon T. Marchan, of Barcelona, writes "Dr. King's New Discovery is doing splendid work here. It cured me about five times of terrible coughs and colds, also my brother a severe cold in his chest and more than 20 others, who used it on my advice. We hope this great medicine will yet be sold in every drug store in Porto Rico." For throat and lung troubles there is nothing better. A trial will convince you of its merit. 50c & \$1.00. Trial bottle free. Guaranteed by all druggists.—Advertisement.

—Best service, lowest rates. Who? The Home Telephone Company.

### ARE GETTING READY FOR FAST CONTESTS

Various Makes of Motorcycles Will Speed on the Local Track Thanksgiving

(By F. H. Mitchell.)

Interest in the coming motorcycle races Thanksgiving day is shown by the talk on the streets, and many a merry contest will be held.

The management has secured a special event for the races, having secured two of the foremost riders in the West. Both men are now riding at the Stadium board track in Los Angeles. One of them is Hubert Kittle, better known to the sporting public as "Gunboat." Kittle will ride the "Flying Merkel," which is known to possess a terrific speed, and is worth seeing. His opponent will be Ralph Rognon of Salt Lake City, who holds many records on the board tracks and is out for more records on dirt tracks. Rognon will ride an Indian, and no explanations about the powerful Indian racers are necessary. After Sunday's races in Los Angeles the machines will be shipped here for exhibition with riding paraphernalia.

Official sanction No. 1082 was received yesterday from Charles Fuller Gates of the American Federation of Motorcyclists. The sanction says that the Santa Ana Amusement Company is the only one in Southern California to hold a meet that will be protected by the A.F.M.

A. L. Osborn, one of the most noted referees on motorcycle races, has been slated for the local meet. He is one of the fairest and most popular referees in the business.

The event that is attracting most attention is the race in which the local Indian agency meets the Orange Indian agency. J. Carriker of Orange has a machine named Sitting Bull, after that famous Sioux Indian chief, and Henrikson's machine is named "Big Noise." These machines are being tuned to the minute, and should good weather prevail, records will go a-glimmering.

Prizes amounting to \$200 have been secured, and will be on exhibition in local display windows within the week.

Bridwell's Harley-Davidson headquarters are remaining very quiet and mysterious these days, but they say: "Wait until Thanksgiving for the big dope, as we will surely be on hand."

It is also announced that Chief "Big Noise" will be exhibited the first of next week.

### Cottolene is 1/3 richer than butter

Cottolene is not for table use, but it is the best cooking fat for all shortening and frying. If you are using butter in your kitchen you are paying at least twice as much as necessary to secure the same results with Cottolene.

Another point of economy about Cottolene—use one-third less than you would of butter or lard.

Cottolene is a clean, pure product, and makes wholesome, healthful, digestible food, because it is a vegetable and not an animal fat.

Cottolene is never sold in bulk—always in air-tight tin pails, which protect it from dirt, dust and odors. It is always uniform and dependable.

### A "Benjamin" Introduces You to Your Best-Dressed Self.

Many a man hasn't known himself until he's shown himself in a "Benjamin" Suit or Topcoat. Then he marvels. Its like the "presto! change!" of magic.

A "Benjamin" has the unforced ease—that unstilted grace—that naturalness of curve and contour which are the quintessence of smartness.

No matter what disappointment you've had with the ready-to-wear clothes of commerce and commonness, make an appointment with a "Benjamin" Suit or Topcoat and leave it to the looking-glass.

**"Wear a Benjamin"**  
SEE YOURSELF AS OTHERS OUGHT TO SEE YOU.

THE PROPER "BENJAMIN" SUIT IS HERE AT

**\$2.000 to \$30.00**

### The Wardrobe

## PREPARE FOR ANOTHER CROP

Ranchers Around Talbert Have Finished Harvesting Their Sugar Beets

TALBERT, Nov. 14.—The beet crop has been turned over to the factories and the farmers are busy preparing their ground for another crop.

Miss Fern Irwin of Huntington Beach has been spending a few days with her uncle, S. E. Talbert. Rev. A. B. Waldrep, pastor of the Methodist church here, and Mrs. Waldrep, were given a reception by the members of the church last week. After the reception, the pantry of the parsonage was filled with groceries, fruits, etc.

Mrs. Mary E. Wardlow is visiting her son this week at Fresno. Mr. and Mrs. S. E. Talbert spent last Sunday at Long Beach with relatives.

Prayer meeting services are being held every Wednesday evening at 7 o'clock.

Miss Annie Kozina, who has been at Garden Grove for the past few weeks is at her home now.

Miss Hattie Walker of Huntington Beach was in Talbert Tuesday afternoon.

Mr. Whitesides was sick Saturday and Sunday, but is able to be at his place of business this week.

Mrs. H. W. Mathews had her brother and his wife visiting her last week from Louisville, Ky.

Mr. Harvey Walker came very near losing his fine young horse the other day from colic.

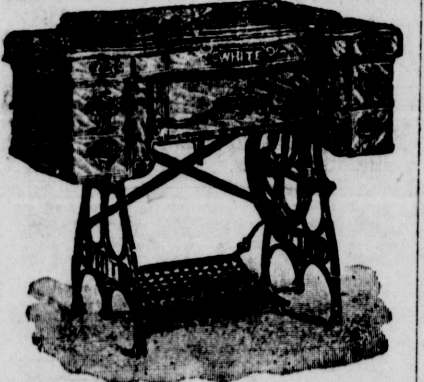

Mrs. N. H. McCuiston and daughter were in Santa Ana last Sunday afternoon.

## RELIGION TRAVELS IN AUTO CHAPEL

U. S. Catholic Church Extension Fits Traveling Chapel for Texas Service

CHICAGO, Nov. 15.—The construction of an automobile chapel car to carry religion to remote parts of the country, where there are neither churches nor railroads, is the latest step undertaken by the Catholic church extension society of the United States.

Very Rev. Francis C. Kelly, who

Necessities first, luxuries afterwards.

made the announcement here last night, said the car would be called "St. Christopher."

"St. Christopher has been selected as the patron saint of automobilists," he said, "due to the fact that he early engaged in the transportation business, having been a ferryman."

The automobile, the order for which has already been placed, will be 12 feet long and as wide as an ordinary truck.

It will contain an altar, will carry all of the sacred vessels used in the celebration of mass and will have accommodations for two persons. A tent will be carried and will be raised above the chapel car to shelter the congregation during the mass.

The car early in January will be sent into territory where it is to do service, probably southeastern Texas.

## THE COLORADO, THE NILE, AND THE SUSQUEHANNA

Colorado river, which drains an area of some 300,000 square miles, is often called the Nile of America, and like the Nile it is subject to an annual summer rise which comes at the time the water is most needed for irrigation. In Water Supply Paper 289 of the United States Geological Survey, an interesting comparison is made of this great southwestern river with the Egyptian Nile and with the Susquehanna. The Nile is similar in type to the Colorado; the Susquehanna shows the difference in flow between arid and humid regions. In the comparison a normal year, based on a 10-year record for Colorado and Susquehanna rivers and such data as could be found in regard to the Nile, have been used. The Colorado has been taken as the standard of comparison.

The Nile has 5.7 times the drainage area, and the Susquehanna about one-eighth the area of the Colorado. The rainfall in the Nile basin is 3.3 times greater; that in the Susquehanna basin is 4.5 times greater. The run-off per square mile from the Nile basin is 1.9 times greater; that from the Susquehanna basin is 37 times greater. The discharge of the Nile is 10.8 times greater than that of the Colorado; that of the Susquehanna is 4.5 times greater.

The annual maximum flow of the Colorado varies from 50,000 to 150,000 second-feet and occurs in May, June, or July; for the Nile it is about 353,000 second-feet and occurs about the first of September; for the Susquehanna it is from 150,000 to 550,000 second-feet and occurs during March, April, or May.

The annual minimum flow of the Colorado varies from 2500 to 5000 second-feet and occurs during January or February; that of the Nile is about 14,500 second-feet and occurs about the end of May; for the Susquehanna it is from 2200 to 11,000 second-feet and occurs in September or October.

The mean flow of the Colorado for the period 1894 to 1903 was 10,700 second-feet. The mean flow for the period 1904 to 1910, however, was 25,400 second-feet; for the Nile it is about 115,800 second-feet; for the Susquehanna it is about 41,000 second-feet.

A copy of the report may be obtained free on application to the Director of the Geological Survey, Washington, D. C.

## BREAK IT FOR WESTMINSTER SUGAR BEETS NEWS LETTER

Contract is Let for Plowing 640 Acres of the Hellman Ranch

HUNTINGTON BEACH, Nov. 15.—M. C. Moore, a local contractor, has been given the contract for plowing 680 acres of land on the Hellman ranch near here and the land will next season be planted to sugar beets. The plowing is to be done with the aid of an engine. The beets will be delivered to the sugar factory at Anaheim.

Work on laying pipes for the gas to be supplied to this city from the plant of the West Coast Gas Company's plant at Newport Beach is to be begun Thursday and it is expected that gas will be available here in December. A number of residences will be erected as soon as the gas reaches here, as owners of lots have been awaiting this convenience for some time.

The Huntington Beach Union High School's student body has arranged for a series of five entertainments to be given here this winter and the series includes the glee club of Occidental College and other standard attractions.

As the election for deciding whether City Trustee Seely is to be recalled (fixed for next Tuesday), grows nearer, feeling here is running higher day by day, the friends and opponents of the trustee exerting every effort to poll every vote. It is probable that the largest vote polled in the city's history will be cast Tuesday.

## FIRST APPLICATION DARKENS THE HAIR

A Simple Remedy Gives Color, Strength and Beauty to the Hair

You don't have to have gray hair or faded hair if you don't want to. Why look old or unattractive? If your hair is gray or faded, you can change it easily, quickly and effectively by using Wyeth's Sage and Sulphur Hair Remedy. Apply a little tonight, and in the morning you will be agreeably surprised at the results from a single application. The gray hairs will be less conspicuous, and after a few more applications will be restored to natural color.

Wyeth's Sage and Sulphur also quickly removes dandruff, leaves the scalp clean and healthy, and promotes the growth of the hair. It is a clean wholesome dressing which may be used at any time with perfect safety.

Get a fifty-cent bottle from your druggist today, and see how quickly it will restore the youthful color and beauty of your hair and forever end the nasty dandruff, itchy scalp and falling hair. All druggists sell it under guarantee that the money will be refunded if you are not satisfied after fair trial.

THE ROWLEY DRUG COMPANY.

## HOUSEHOLD HINTS

Cut the meat from a six-pound shin of beef, cutting it into small squares. Heat two tablespoonsful butter in a sauce pan, roll the pieces of meat in flour and add them by degrees to the butter; stir now and then and let simmer for one hour. The meat should look brown and juices be drawn out. Add one head of celery, two sliced onions, two sliced turnips, two sliced carrots, bunch of sweet herbs, blade of mace, two bay leaves, six cloves, two tablespoonsful whole peppercorns and one tablespoonful salt; also add beef bones sawed into small pieces and one gallon of boiling water. Simmer for six hours, strain and let it get cold. Then remove all the fat. Serve with small pieces of cooked vegetables in it.

**Time-Saving Pie Crust**  
One quart water, two teaspoons salt, one cup of lard worked in; put in a pail and keep cool. It is easy then to make a custard or any other pie by taking out just the amount needed and weighing it with cold water drop by drop, and not a drop too much, as water toughens pie crust. This is so convenient as it will keep almost indefinitely without water.

**Killarney Potatoes**  
One quart dried potatoes in pan, large lump butter, one pint sweet milk salt and pepper; mix of three eggs and white of one beaten smooth; pour over potatoes, baked until tender, add whipped whites of two eggs; return to oven until set.

**Corn Oysters**  
One egg beaten very light, one cup corn, one-half cup flour, one even teaspoon baking powder, butter size of walnut, a little salt. Mix and drop by teaspoonfuls and fry in deep fat.

**Jupiter**  
In spite of his immense size Jupiter is a very lively planet. It takes the earth twenty-four hours to turn over in bed and wake up to see the sun again each day, but Jupiter, although nearly eleven times the diameter of the earth, turns completely round every ten hours.

**Napoleon's Only Wound**  
The only wound Napoleon Bonaparte ever received in battle was at Ratisbon, on April 23, 1809, when he was struck by a piece of shell. The emperor hastily bandaged the wound and paid no further attention to it till the battle was won. The splinter of shell is now in the army museum in Paris.

WESTMINSTER, Nov. 14.—Mrs. Mary Tilton of Los Angeles visited at the home of her father, J. Y. Anderson, a few days this week. Mr. Anderson had the misfortune to dislocate his shoulder by a fall a few days ago.

Miss McClood of Pasadena has returned for a few days' stay in town. Mr. and Mrs. J. C. Munson of Pasadena are visiting their daughter, Mrs. Moore, this week.

Mrs. Eva Dickey entertained Rev. Pink of the Baptist church of Garden Grove at dinner on Saturday. Mr. and Mrs. Orel Hare entertained the Presbyterian choir after practice on Friday night. Games and music and a trombone solo by Mr. Wayne Holt, of Garden Grove, was enjoyed by all, after which home made candy was served.

Mrs. Eva Dickey spent Tuesday in Long Beach.

Mr. F. M. Watson went to Los Angeles on Sunday.

G. W. Ragan, mother and sisters, from Los Angeles, have moved into the Hotel. Mr. Ragan has accepted a position in the blacksmith shop of E. A. Hare. Mrs. Ragan will run a restaurant and keep roomers.

Our barber shop is again running with G. T. Brown of Los Angeles in charge.

Mrs. F. M. Watson went to Los Angeles Wednesday morning on the local train.

An all day missionary meeting of the Home and Foreign societies, of the Methodist church, was held on Thursday at the home of Mrs. Smithlene. Dinner was served at noon.

The Presbyterian Missionary Society met at the church on Wednesday afternoon.

A new well is being put down on the Creedmore gun club.

The farmers have been notified that Thursday will be the last day beets will be received at the local dump and they are rushing to get them all in.

## RURAL CARRIER EXAMINATION SOON

To be Held at Fullerton and Santa Ana, Cal., for Orange County, December 7

The United States Civil Service Commission announces an examination on December 7 at Fullerton and Santa Ana, as a result of which it is expected to make certification to fill a vacancy in the position of rural carrier at Fullerton, Cal., and other vacancies as they may occur on rural routes at post offices in the above-named county, unless it is found to be in the interest of the service the vacancy by reinstatement, transfer, or promotion. The usual entrance salary for rural carriers is from \$600 to \$1000 per annum.

Age limit, 18 to 55, on the date of the examination. The maximum age limit is waived in cases of persons honorably discharged from the United States military or naval service.

An applicant must have his actual domicile in the territory supplied by a post office in the county for which the examination is announced.

The examination is open to all male citizens of the United States who can comply with the requirements.

Application Form 1341, and full information concerning the requirements of the examination, can be secured from the secretary of the local examining board or the postmaster at any of the places named above, or from the U. S. Civil Service Commission, Washington, D. C.

Eligibles on registers established prior to March 1, 1912, can be considered for appointment only at the office for which they were examined. Such eligibles may be examined within one year from the date of their former examinations upon filing applications showing that they meet the requirements of the new examination, their old eligibility for their home offices not being canceled.

Applications should be properly executed and filed with the commission at Washington. As examination papers are shipped direct from the commission to the places of examination, it is necessary that applications be received in ample time to arrange for the examination desired at the place indicated by the applicant. The commission will therefore arrange to examine any applicant whose application is received in time to permit the shipment of the necessary papers.

An eligible register for the position of rural letter carrier for each county will be maintained. A person must be examined in the county in which the post office that supplies his home is situated. As a result of such examination he may become eligible to appointment as rural carrier at any post office in such county. A rural letter carrier after one year's satisfactory service may be transferred to the position of clerk or carrier in a first or second class post office, to the position of railway mail clerk, or to other positions in the classified service, subject to such examination as may be required by the civil service rules.

JOHN C. BLACK, President.

**Business Men Pick Cotton.**  
On account of the cotton crop of Grayson county, Texas, being the largest in the history of the county, the business men of Sherman determined that it should all be gathered now, standing the comparative scarcity of cotton pickers. Accordingly, a hundred of the business men signed an agreement to assemble at 4 o'clock each afternoon for six days and go to the cotton fields and help the farmers in gathering the crop. In the number were bankers, physicians, merchants, carpenters, blacksmiths, and in fact, every class of citizen in the city. Several automobiles met the men at the courthouse square every afternoon, and took the men to the cotton fields.

"The Flag and the Nine is a Quality Sign"

Ask mother dear and father, too, what "Nine O'Clock" Shoes are. They'll tell you they are Dittman made—which means—no fault to mar. They'll tell you that they're full of style—are made for Girls and Boys With just that extra quality to give all parents joys.

The Boys and Girls like "Nine O'Clock" School Shoes because they feel so comfortable—and look so well.

## CONSERVE INFANT LIFE FOR NATION

Miss Julia Lathrop Urges Saving of Babies; 300,000 Under 1 Year Die Annually

AURORA, Ill., Nov. 15.—The government of the United States has taken up the challenge of Newsholme, the English statistician, that each year 300,000 American babies under one year old die unnecessarily. Miss Julia Lathrop, director of the children's department of commerce and labor, told of the plans in an address last night before the convention of the Illinois Federation of Women's Clubs.

"The child bureau has begun a sweeping inquiry into the reasons why these children die," Miss Lathrop said. "One noteworthy feature of this inquiry is that we are going to the birth, not the death records."

"Our own most eminent authorities tell us that half the children under one year old who die annually can be saved by the application of the methods we already know about. 'Now is it not better to begin the inquiry into the cause of this needless loss of children's lives by urging upon our people to give to births of the young just as much dignity and care as the marriage of parents?' 'We want people to understand that to preserve the nation they must save the lives of its most precious assets—its babies.'"

## PAPE'S DIAPEPSIN ENDS INDIGESTION

Time! No Sour, Gassy Stomach or Dyspepsia in Five Minutes

You don't want a slow remedy when your stomach is bad—or an uncertain one—or a harmful one—your stomach is too valuable; you mustn't injure it with drastic drugs.

Pape's Diapepsin is noted for its speed in giving relief; its harmlessness; its certain unfailing action in regulating sick, sour, gassy stomachs. Its millions of cures in indigestion, dyspepsia, gastritis and other stomach trouble has made it famous the world over.

Keep this perfect stomach doctor in your home—keep it handy—get a large fifty-cent case from any drug store and then if anyone should eat something which doesn't agree with them; if what they eat lays like lead, ferments and sours and forms gas; causes headache, dizziness and nausea; eruptions of acid and undigested food—remember as soon as Pape's Diapepsin comes in contact with the stomach all such distress vanishes. Its promptness, certainty and ease in overcoming the worst stomach disorders is a revelation to those who try it.—Advertisement.

## PRESIDENT ELIOT TO HARVARD FRESHMEN

New York Independent: It was the president of a Southern University who some time ago warned President Eliot that in fifty years Harvard would lose its primacy among our institutions of learning. When Dr. Eliot demurred and asked the reason for such belief he was told that there were three reasons: One, that in fifty years' time Massachusetts would be a Roman Catholic state, and that parents would prefer to send their sons to an institution conducted under the rules of their own faith; second, that the western students who had no Harvard affiliation would go to the state institutions by that time rather than Harvard, and the third, that Harvard graduates would have no sons to send to their alma mater. We do not know whether President Eliot then controverted these arguments, but the advice which he gave to the Harvard freshmen the other day might make us suspect that the last of these considerations has given him real concern.

We are glad to be allowed to print the whole of that address. It is a subject very unusual for such a talk, and yet one of real importance, which it is essential that worthy young men should consider. He told them that they were to think of themselves as prospective husbands and fathers, and that they should not think of marriage as a distant duty to be long delayed, but as a privilege as well as duty to be sought early in life. He told them that they should not imagine that marriage must be put off until they could expect to take a wife to as luxurious a home as that of her parents; but that if a young woman had been brought up in easy luxury, it would be better for her that she should learn the experience of humble economy such as her mother had not hesitated to accept.

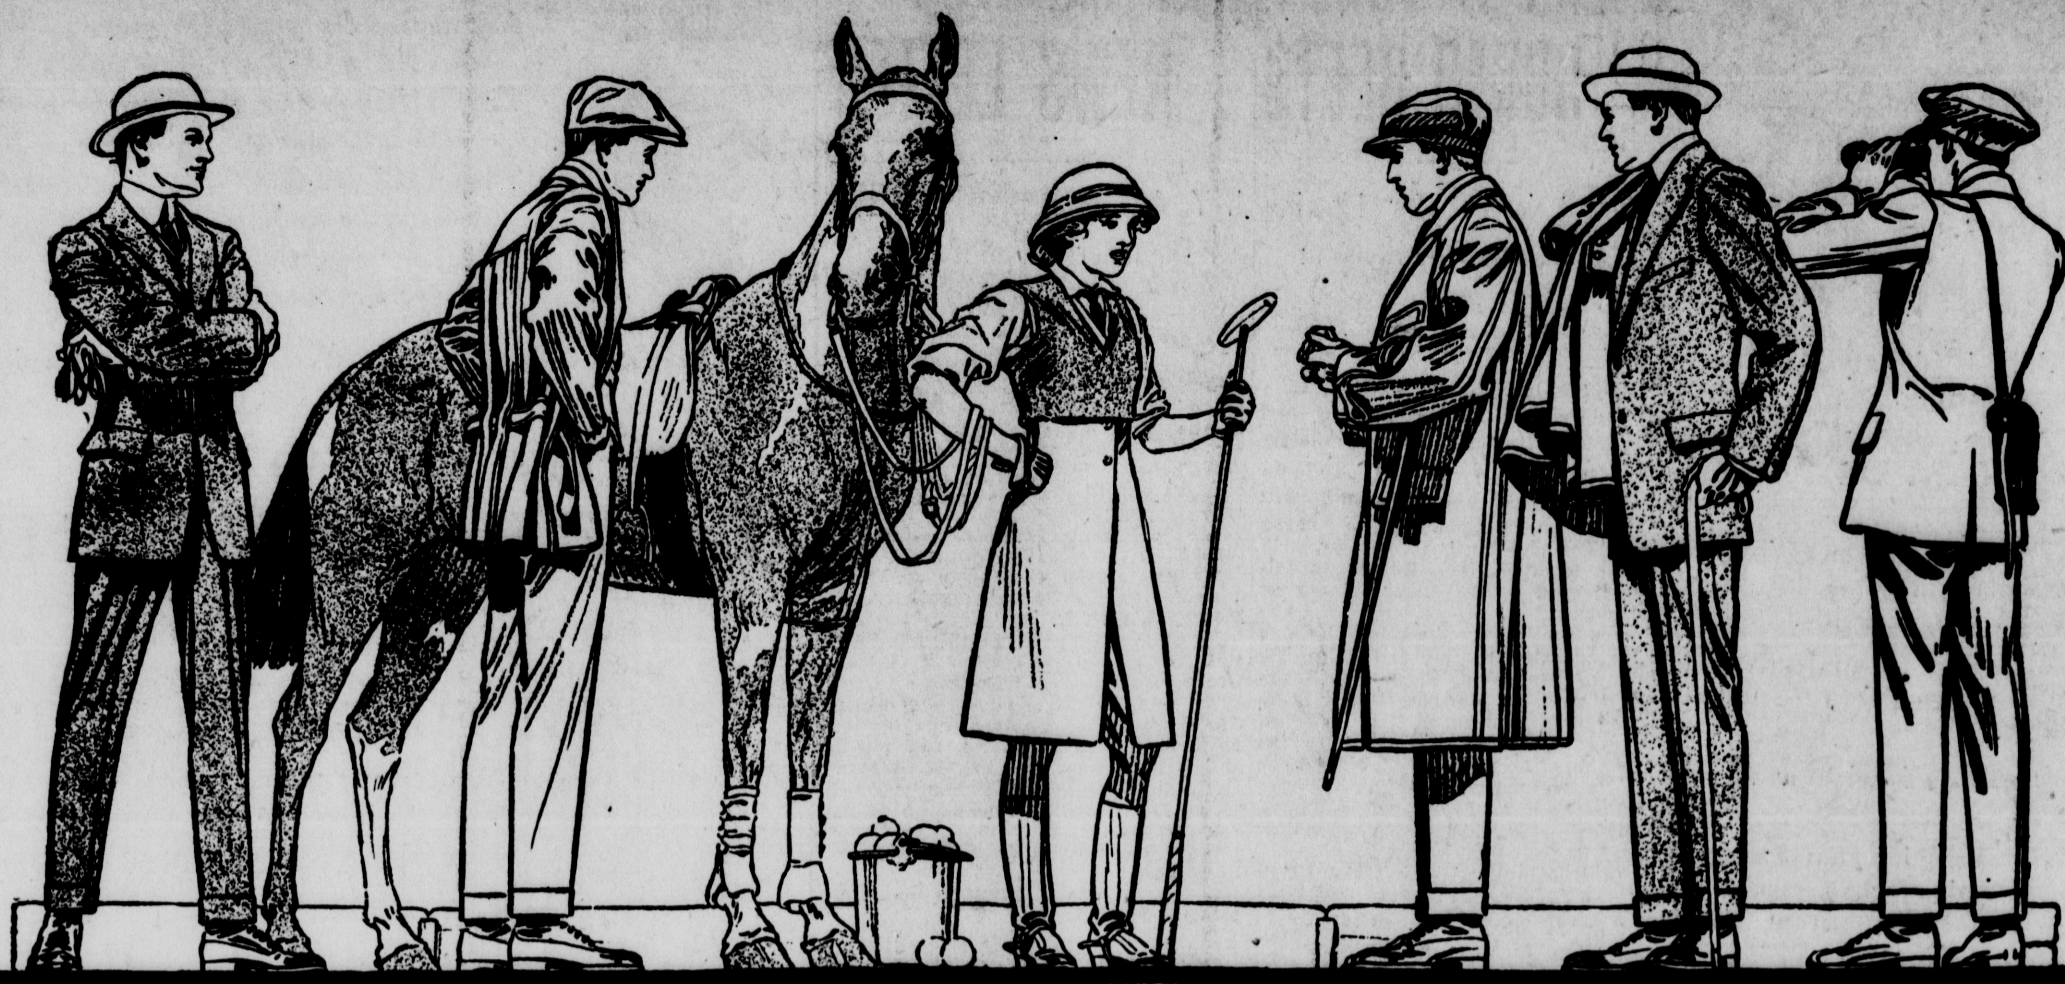

We do not remember ever to have heard of such instruction and advice given to freshmen entering college, but it seems wise. They are eighteen or twenty years old, entering young manhood, old enough to look forward to the duties of life, and they are already preparing for them. They expect, or should expect, to marry, just as they expect to be lawyers or merchants. They should learn to think of it seriously and not jocularly or flippantly. They should be taught to think of marriage as a coveted responsibility, of course to be assumed with proud joy, in the confidence of reason and the spirit of self-sacrifice. If this were a special duty for college boys only to anticipate we might leave the address with the Harvard freshmen who will not forget it; but it applies to all young men of decent character.

We have said it is a subject for "worthy young men," "of decent character," to consider, not for others. If such is not one's character marriage is not for him. We hope the time will come when if a young man does not marry it will be understood that he is not fit for marriage. Such a young man, not worthy, not clean and decent, not only wrongs himself in his forced abstinence, but wrongs some young woman, who by his fault is compelled to remain unwedded. It is better that she should die unwedded than that she should wed such a man. President Eliot hints at this when he speaks of marriage as a safeguard to character.

It is not possible to say now for what ex-President Roosevelt will be most remembered in the years to come; but we question whether any one of his claims to immortal fame will stand higher than his strong preachments against "race suicide." He may not have invented the expression—there is another claimant—but it is he who has made it part and parcel of the English language. Ex-President Eliot has not supported Ex-President Roosevelt for a third term, but in this address he has added an admirable commentary to Mr. Roosevelt's sermon.

BALKAN WAR HORRORS  
Bring the good old bugle, boys, we blew at old Tchatchok.

Also at that place named like the ticking of a clock—

Also at that place whose name will cause your jaws to lock—

While we were marching through Turkey.

Hurrah! Hurrah! Set Zagubitz free, Hurrah! Hurrah! We sound the jubilee.

Karassakolon was as easy as could be.

While we were marching through Turkey.

Tcherkeskist was baffling, but we hung on for a spell;

When we struck Moschopolis we got on very well—

And we found another town just like a college yell

When we were marching through Turkey.

Hurrah! Hurrah! Our jaws refused to break,

Hurrah! Hurrah! It is no trick to take

Old Trebotivishte with a gurgle and a shake

While we were marching through Turkey.

Hurrah! Hurrah! Tcherkeskist waits us yet.

Hurrah! Hurrah! Pokaschio we will get.

In another week we'll rise and fight the alphabet

While we are marching through Turkey.

—Chicago Post.

## THE GOLDEN AGE AT HAND.

Scriptural Evidences That Are Astonishing—No One Can Afford to Be Without the Knowledge.

We do our friends a valuable service when we call their attention to the valuable book entitled, "THE TIME IS AT HAND," in which are given many Scriptural evidences to prove where we are on the stream of time.

"Men's hearts are failing them for fear" and many of the leading thinkers are proposing remedies to better conditions. The Scriptures assure us that man's extremity will be God's opportunity, and this book holds out an anchor to those who fear the wave of unrest now spreading over the world.

The honest heart confesses that it is at a loss for an explanation of transpiring events. While we refer to this as the BRAIN AGE and the AGE OF ENLIGHTENMENT, nevertheless many realize that we are fast approaching a crisis which is wrapped in darkness owing to the present worldwide social, religious and political unrest.

As though by instinct the whole creation, while it groans and travails in pain together, waits for longer and hopes for the DAY, calling it the "GOLDEN AGE"; yet men grope blindly because not aware of the great Jehovah's gracious purposes. And to his wondering creatures, looking at the length and breadth, the height and depth of the love of God, surpassing all expectation. He explains: "My thoughts are not your thoughts, neither are your ways my ways, saith the Lord; for as the heavens are higher than the earth—so are my ways higher than your ways, and my thoughts than your thoughts." Isa. 55:8, 9.

Send 25 cents at once for the book. Bible and Tract Society, 17 Hicks street, Brooklyn, N. Y.

E Pluribus Unum

E pluribus unum is a Latin phrase which you have probably seen more often than any other foreign phrase in use in the United States. It is on the back of the larger silver coins, the halves and quarters. Translated word for word it means "from many, one." Its use is to indicate that, although the United States is composed of many individual states, as a nation it is one united body.

An Unruly River  
The famous Tugela river, in South Africa, is said on one occasion to have risen forty feet during a single night owing to thunderstorms on the mountains.

## Tobacco Grown in Idaho.

Very satisfactory experiments have been made in the growing of tobacco in Boise Valley, Idaho. The work was done under the direction of a Minneapolis seed firm, which has much to do with the development of tobacco growing in Wisconsin. It is believed that the cool nights of Idaho will prevent the pupation of the tobacco worm, and that there will be less worms to bother the plants than in the warmer states. Then again it is believed that in the curing of the leaves the moisture conditions can be absolutely controlled, thus developing a uniformly high quality of leaf. With almost no humidity in the air fungi will not thrive. The only lacking elements of plant food in the Idaho soils for growing tobacco are nitric nitrogen and organic humus, and which are readily supplied by plowing under alfalfa, clover and other leguminous plants.

## How to Mend Gloves.

White gloves especially have an annoying habit of tearing "at the last moment," when you haven't time to darn them.

To temporarily mend the rip place a piece of court plaster upon the under side.

This will neatly close the ripped seam and will wear for a long time.

## SPLENDID EXHIBIT OF REAL ORIENTAL RUGS

The Horton-Spurgeon Furniture Company have arranged to give the people of Santa Ana and vicinity a treat which they cannot fail to appreciate. For the next week they will have on display at their store a large collection of genuine Oriental rugs—real hand-made Persian rugs. In this exhibit are rugs of all sizes and in all those rich Oriental designs that are so pleasing to the eye. This exhibit is in charge of representatives of the importers, and are men who know every detail of rug-making and who will be glad to give any information desired regarding the rugs. Everybody is cordially invited to call and inspect this splendid exhibit which is said to be the first large collection of real Persian rugs ever shown in this city. The rugs arrived yesterday and beginning with today will be on display for one week.

## LOCAL MEMBERS ARE TO REGISTER EARLY

The annual convention of the county Christian Endeavorers will open this evening in the United Presbyterian church with the Prraise service at 7:15. The registration and entertainment booths will be open at 6:30 p. m., and all visiting delegates will be assigned as far as possible before the meeting. The Santa Ana Christian Endeavorers are urged to come early and register in order to leave the Registration committee free to take care of the rush at the beginning of the service.

## SPEAKER LOWTHER MAY BE DEPOSED IN ENGLISH HOUSE

LONDON, Nov. 15.—The deposition of Speaker Lowther from his position of authority is being seriously considered today by the Liberal leaders. The charge is freely made that the speaker made no serious attempt to check the violence that resulted over the Home Rule bill last Wednesday in the House of Commons.

## SENATOR ISADOR RAYNOR BELIEVED NEAR DEATH

WASHINGTON, Nov. 15.—Owing to the sudden relapse of Senator Isador Rayner of Maryland, who is seriously ill with neuritis, members of his family today are at his bedside fearing the end is near.

How to Earn Money.  
One girl earns money each season preserving fruit. She makes a specialty of peaches and quinces, which she prepares in the following manner:

Fare and cut in half large peaches. To one teaspoonful of water add one-half pound of sugar; boil for five minutes. Then drop in two pounds of fruit, cook until tender, then remove fruit to plates, cover with the syrup and place in the oven to dry, turning each piece often.

In about twelve hours the fruit will have absorbed the syrup and be dry enough to roll in granulated sugar, after which it should be placed in the sun for an hour. It will then be ready to be boxed for sale.

Quinces are cooked first in water until tender, then pared and put through a sieve. To one pound of fruit add one pound of pulverized sugar; boil until thick, then spread on plates to dry. When dry cut in squares and roll in granulated sugar.

## ART CLUB MEETING

Miss May Demonstrated Modeling in Clay—Miss Alexander Talked of Ancient Art

The regular meeting of the Art Study Club met with Mrs. Padgham Tuesday evening, November 12. The president, Miss Carter, read a letter from Mrs. Estudillo, district chairman of art, in which she notified the club that the General Federation Art collection was open for dates. The art club voted to secure the collection for an exhibit in the near future if it could be arranged satisfactorily and profitably.

Miss Beulah May gave a practical demonstration in modeling in clay, describing each step as she went along. She then followed with a very interesting description of the reproduction in marble and bronze by the artist from the clay and plaster to the last step. She summed it all up by quoting "Clay is the Life, Plaster the Death and Marble, the Resurrection."

Miss Alexander followed with a paper on Egyptian and Syrian art. She said authentic Egyptian history dates back three or four thousand years B. C. But previous to this appears to have been a long period of culture and civilization, known as pre-dynastic. In the fourth or fifth dynasty belong the pyramids of Gizeh. In this same dynasty, portrait sculpture remarkable for fidelity to nature and refinement of execution. The twelfth dynasty was one of the most brilliant of Egyptian history, being marked by great building activities and development of decorative arts. The eighteenth to the twenty-first dynasties were noted for great prosperity and wealth. Many temples were built, among them the temple of Karnak. She spoke of the pyramids, tombs, sphinx, colossal and portrait, sculpture, giving Ramesses II of Luxor, 57 feet high as an example. The Assyrian art was found in clay and sun dried bricks. There were long low halls lined with alabaster in which was found much to prove their religious devotion. In Assyrian art is found the black obelisk of Nimroud.

Mrs. Padgham served tea and cakes in her usual hospitable way. The club adjourned to meet with Mrs. George Smith on December 11.

## Silver Wedding

The twenty-fifth anniversary of the wedding of Mr. and Mrs. John Beatty of Santa Ana will be celebrated to-night with a turkey dinner given by Mrs. Beatty's sister, Miss Seibert of Fullerton. Miss Seibert will have as her guests Mr. and Mrs. Beatty and family and Miss Jane Murdy of Santa Ana, Mr. and Mrs. Collins of Fullerton and Miss Young of Columbus, O.

## BEAUTIFUL WEDDING

Miss Gladys Harrison and Dr. Mark Menges United in Bonds of Wedlock Yesterday

To the enchanting music of Mendelssohn's Wedding March played by the bride's long-time chum and friend, Miss Amy Mead, Miss Gladys Harrison and Dr. Mark Menges of Fullerton entered the spacious parlor of the Harrison home yesterday afternoon at 2 o'clock and took their places under a canopy of greenery, where they were married in a most impressive ceremony read by Rev. J. A. Stevenson.

The handsome bride was exquisitely gowned in cream tulle, adorned with lace and pearl trimmings and made entraine. Orange blossoms from the ranch home of the Harrison's caught the floating folds of the filmy wedding veil, and a bouquet of bride's roses and lilies of the valley was carried by the bride. The bridal couple were preceded by a pretty procession led by the bridesmaid, Miss Catherine Cubbon, an intimate friend of the bride from childhood, and George Menges, brother of the groom and best man. Miss Cubbon was charming in pink silk veiled with marquisette, and carried a shower bouquet of pink carnations. Then came two fairy-like flower girls, Miss Dorothy Forgy and Miss Helen Menges, daintily clad in white, carrying baskets tied with pink tulle and heaped with rose leaves which they scattered on the bride's pathway. Following them was the cunning ring-bearer, five-year-old Master Clyde Weston Walker, who was costumed in white and proudly carried the wedding ring on a silver tray.

White carnations dotted the greenery of the wedding canopy and were massed in vases on either side of the bower. White carnations and asparagus fern festooned the picture rails over the house, and pink carnations in bouquets adorned the living room and dining room. The wedding gifts, lavishly bestowed by friends here and in the East were elegant and beautiful. After they had been viewed, and congratulations had been showered on the bride and groom, refreshments were served, the Dragon catering, Mr. and Mrs. Menges then left for a brief wedding trip to San Diego, the bride wearing a going-away gown of tulle and brown with brown velvet hat-trimmed with pink roses. They will return here next week for a brief stay, going then to Fullerton where they will reside.

Mr. and Mrs. Menges have an unusually large circle of acquaintances, both having been reared here. They graduated in the same class from the Santa Ana High School. Mrs. Menges later entering the county offices, and Mr. Menges going East to Ann Arbor and Northwestern where he received his professional education. He graduated from Northwestern College, founded by his uncle. They will be an acquisition to Fullerton society. Mrs. Menges being not only charming in her manner but accomplished in a musical way, while Dr. Menges is a young man of fine character and personality. The bride is the daughter of Mrs. James Harrison and the groom is the eldest son of Mrs. Menges and the late Dr. M. A. Menges, a pioneer physician and operator of the Santa Ana Valley.

## Brotherhood Dance

Tonight the Fraternal Brotherhood will give another one of their semi-monthly dances. With the best music and best floor a good time is assured to all. All are cordially invited.

## Splendid Meeting

The most important Parent-Teachers Association meeting at Jefferson school yet held this year, took place yesterday afternoon. The well attended meeting, 100 mothers being present, was opened by Mrs. W. B. Tedford. Mrs. George Kroll and Mrs. F. W. Wiesseman were appointed as a standing committee on reception, and Mrs. B. E. Beswick was chosen press reporter.

A program was introduced with music by the Jefferson school orchestra, followed by a reading exercise by the first grade, Miss Collings teacher. An instrumental trio with Esther Squires at the piano, Harriet Squires, mandolin, and Milton Foster, violin, was then given. Mary Grubb read "Little Orphan Annie," and Darrell Pierce, with Mrs. Pierce accompanying, played a violin number. Francis Edwards recited "Out at Old Aunt Mary's," Myrtle Law and Violet Wiesseman following with a piano duet.

Prof. Stearns of the manual training school, spoke of manual training, and Principal Beswick of Jefferson spoke of the forthcoming reports. Grade mothers were appointed as follows: First grade, Mrs. Stevenson; second, Mrs. Sheppard; third, Mrs. Snow; fourth, Mrs. L. A. West; fifth, Mrs. Brown; sixth, Mrs. G. W. Ross; seventh, Mrs. Smiley; eighth, Mrs. A. E. Chapman.

A "duet" by Miss Hamaker and Miss Barclay, teachers, proved to be an interesting distribution of delicious home-made candy. Wafers and fruit-ade were also served.

## Whist Afternoon

A charming progressive whist party at which Mrs. H. A. Duckett was hostess was given yesterday afternoon.

In the whist games Mrs. C. S. Kendall won first prize, a wisteria basket, the second prize, a deck of cards, going to Mrs. Cal Lester. Mrs. Kenton took the consolation prize, a wisteria violet basket, on a cut with Mrs. George Harper.

Refreshments were served on the card tables after the games, each table being adorned with a centerpiece of violets, while violet shaped and tinted baskets were used for the salted almonds. Violet corsage bouquets were given each of the guests, and fragrant violets gave a dainty touch to the delicious ice cream.

Mrs. W. J. Williams, Mrs. J. J. Blick, Mrs. Dexter and Miss Dorothy Williams of Pasadena were out of town guests. Others were Mesdames W. L. DeLamung, Chas. Kelley, Maurice Yarnell, C. S. Kendall, J. W. Shaul, Russell Scott, J. P. Baumgartner, John Traller, Ella Palmer, Roscoe Whitely, E. S. Morrow, Carl Strock, George Harper, Lester Tremaine,

ternoon. Foliage, potted plants and white chrysanthemums were used in the house decorations.

FOR SALE—The largest stock of second hand bicycles in city, from \$5.00 to \$15.00. Geo. Post.

# SCHALL MUSIC HOUSE GOING OUT OF BUSINESS

MR. O. A. SCHALL'S LETTER REGARDING HIS SACRIFICE

Santa Ana, Cal., Nov. 13, 1912.

Geo. J. Birkel Co., Los Angeles, Calif.

Gentlemen:—After careful consideration I have concluded to accept your offer to purchase my entire stock of Pianos and Player Pianos, Player Music, Stools, Benches and Scarfs. It is, of course, a great disappointment to myself and family that we cannot carry out our plans, establishing a business here, but sickness in my family makes it absolutely necessary for me to return at once to Minnesota. It is for this reason only that I am compelled to accept your offer and act quickly—I personally selected every one of these Pianos and Player Pianos, have sold them for years in my eastern home, know how well they wear and give musical satisfaction—and in turning these instruments over to you, I wish to express my thanks for your prompt action in assisting me to hurriedly adjust my affairs and to recommend these instruments and your very excellent concern to any who may be thinking of buying a real musical instrument.

Respectfully,  
(Signed) SCHALL MUSIC HOUSE.  
O. A. Schall.

## PATTON HOSPITAL GREATLY CROWDED

Institution Well Conducted is  
Opinion of Secretary of  
State Jordan

LOS ANGELES, Nov. 15.—Secretary of State Frank Jordan, who has been making an inspection of the state hospital for the insane at Patton, and visiting friends in Los Angeles, returned to the north last night.

Mr. Jordan discussed the institution at Patton and the urgent need of enlarging it. He praises the manner in which the institution is conducted and spoke of the extent to which it has become self-supporting.

According to Mr. Jordan the inmates of the hospital are kindly treated, well taken care of and are

well provided for with the exception of the sleeping quarters, which he declares are so crowded that some are forced to sleep in the corridors. The secretary pointed out the value of the farm connected with the institution. Of the 406 acres in the grounds there are thirty-five in oranges, twenty in vegetables, producing two tons of vegetables daily, and fifteen given to different kinds of fruits. According to the figures given out by Mr. Jordan the income from the orange grove alone is \$8000 a year, while the dairy of eighty cows profits the institution \$1400 a month. Of the patients, 300 are employed in the fields and sixty per cent of them are found some sort of employment.

### SHARP CRITICISM OF ARMY LIFE

A writer in the November American Magazine sharply criticizes army life. Taking up the case of the private who enlists for three years at \$15 a month, the author says in part:

"What has he to show for those three years that will help him to be successful as a carpenter, a mechanic or a merchant or anything else that is useful? For three years his mind has been turned away from all those things whereby he might make a living. He has acquired a habit of idleness and a distaste for civil life. Much of the training and knowledge which he previously had have lapsed from disuse. In their place he has acquired the vices of the camp, but he cannot live on those. If a man were receiving fifteen dollars a month and at the same time a training that would fit him for something useful, well and good; but at what price can a man agree to throw away his future?"

"A chance to see the world." No man sees less of the world that is worth seeing than the private soldier. He sees the inside of forts and barracks. He is not stationed where there is much to see, and what travel he gets does not educate him.

"A short time ago I met a United States marine of the 'New York,' in Houston, Texas. He said he was bringing back a deserter from Shanghai, China, to penal servitude in the Brooklyn Navy Yard. The ordinary language of this corporal, the unnecessary and meaningless obscenity that was dragged into every sentence, was simply appalling. The topic seemed to make no difference; every sentence required an obscene expression to give it emphasis and color. I thought the deserter did well to choose penal servitude instead of the conditions reflected by such conversation."

"I wish the Peace Foundation people would set aside an appropriation to follow up the lives of a thousand men who have been discharged after a three or five year enlistment. I am confident they would find an appalling record of evil influences spreading from these men outward to the community; a record of idleness, dissipation, viciousness and general evil example."

—The very latest style in auto bonnets now on display. Everybody is getting one from Miss L. W. Schumacher, Ladies' Hatter, corner Main and Fifth streets, Santa Ana, Calif.

Santa Ana Painless Dentists, 102 1/2 East Fourth St. Main 259.

You will positively enjoy the making of gowns, underwear, shirt waists, etc., with such astonishing ease and soon save twice its cost. Hundreds of satisfied and enthusiastic users. Demonstrations at 408 North Main street.

Mrs. Cora B. Cavins  
Local Representative

## TORRENS SYSTEM TO BE OBSERVED

New Title Company Organizes  
Which Will Observe Pro-  
visions of System

LOS ANGELES, Nov. 15.—Provisions of the Torrens system of land registration and title will be observed in Los Angeles through the incorporation of the Torrens Title Company, operations to extend throughout Southern California, with headquarters in Los Angeles. The capitalization of the company is \$100,000. The directors are: J. P. Burt of San Diego, title abstract expert; J. N. Metcalf, attorney; Horace G. Hamilton, realty dealer; A. E. Metcalf, realty dealer and local capitalist; J. H. O'Connor, attorney, all of Los Angeles.

Members of the directorate assert that they will be able to operate successfully under the present Torrens law in this state, but they confidently believe that the proposed amendments to the law will be adopted by the new legislature at its coming session. Operation of the Torrens law in the transfer of titles will prove economical, speedy and in every way satisfactory, is the claim of the promoters of the Torrens Title Company.

## WOMEN OF STATE AND WOMEN OF EAST

Send Suffrage Paraphernalia  
to Kansas Who Will Pass it  
on to Kentucky

KANSAS CITY, Mo., Nov. 15.—After the women of California won the right to vote they shipped their campaign material, including yellow horse blankets, street banners, pennants and mascots, to the leaders of the suffrage movement in Kansas. The Kansas women used this paraphernalia in the campaign which they brought to a successful conclusion last week.

The material was received yesterday by the Kansas City Equal Suffrage Association to be used in the Missouri suffrage campaign of 1914.

The Missouri women plan to send it to the Kentucky suffragists, to be used in that state in 1916, when an equal suffrage fight will be waged in that state.

A Dance  
—Are you coming to the dance at Delhi on South Main street, Saturday evening, Nov. 16? We will have good music, also good management. You are all invited.

# A Wonderful Sale of Pianos and Player Pianos

BIGGEST VALUES EVER OFFERED IN ORANGE COUNTY

## Geo. J. Birkel Co. Takes Lease and Buys Stock of Schall Music House

Your chance to buy a good Piano or Player Piano—and buy it RIGHT—to buy on your own terms—has come at last! We've taken over complete the business of the Schall Music House—bought the lease—bought the stock—picked it up at a sacrifice—and will SACRIFICE IT TO YOU. Mr. Schall's instruments are all reliable makes, such as he could recommend and guarantee to you, his neighbors and fellow citizens. They are worth every penny of the prices he placed on them. But we are not satisfied to sell them slowly as he would have done. WE MUST FORCE THEM OUT, THOUGH IT WILL TAKE BARGAIN PRICES TO DO IT. Sale is now on and you can select—

Selling out his business was a real sacrifice to Mr. Schall. Sickness in his family compelled him to make the move. What he has to say in the matter you can read below. Certainly his letter attests to the genuineness of this sale, and the reasons which compelled him to make this sacrifice.

### READ MR. SCHALL'S LETTER.

Geo. J. Birkel Co., Los Angeles, Cal.  
Gentlemen:—After careful consideration I have concluded to accept your offer to purchase my entire stock of Pianos, Player Pianos, Player Music, Stools, Benches and Scarfs. It is, of course, a great disappointment to myself and family that we cannot carry out our plans, establishing a business here, but sickness in my family makes it absolutely necessary for me to return at once to Minnesota. It is for this reason only that I am compelled to accept your offer and act quickly—I personally selected every one of these Pianos and Player Pianos, have sold them for years in my eastern home, know how well they wear and give musical satisfaction—and in turning these instruments over to you, I wish to express my thanks for your prompt action in assisting me to hurriedly adjust my affairs and to recommend these instruments and your very excellent concern to any who may be thinking of buying a real musical instrument.

Respectfully,  
(Signed) SCHALL MUSIC HOUSE.  
O. H. Schall.

## Save a Third to One-Half On Your Piano Or Player Piano

If you have not a Piano or Player Piano in your home now—if you've felt hitherto that you could not afford one—this sale opens the door of opportunity—enables you to get just the kind of instrument you've been wanting at a price far below that instrument's worth. Possibly you've been wishing you could buy the family a Piano or Player Piano as a Christmas Gift. Nothing surely would bring more pleasure to you all. This sale enables you to realize your desire. REMEMBER, JUST A FEW DOLLARS CASH PAYMENT AND A FEW DOLLARS MONTHLY WILL PLACE ONE OF THESE BEAUTIFUL INSTRUMENTS IN YOUR HOME. Come in and see and try them. You'll be given every courtesy—and in the matter of terms we will meet you more than half way. This is the biggest Piano event in the history of Orange county—a genuine money-saving opportunity—nothing like it ever offered you before. The reputation of the Birkel Company is behind this sale, our long honorable business career guarantees its genuineness. You take no risks whatever—it's a REAL opportunity. Grasp it without delay!

## NEW HOUSE A DAY IS PAGE

Eighteen New Homes Have  
Been Commenced Since the  
First of November

City of Owned Homes Well  
Describes This Growing  
Community

"A city of owned homes are words that have recently been used frequently to describe Santa Ana, and the description is indeed fitting. Santa Ana is a city where a larger proportion of its people own their own homes. Probably no other city its size in the state has as few renters. This is a healthy sign, for it bespeaks not only a permanent population but a contented and a prosperous people. The coming winter will add to the number of owned homes in Santa Ana. The spring will find the city with a larger proportion of its people in their own homes than ever before. The building operations have hit a pace of one new house a day. In fact, the pace is a little better than that. In the first fourteen days of November, Building Inspector Roper issued permits for eighteen new houses, most of them of the comfortable bungalow class, costing in the neighborhood of \$2000.

Last winter it was along about January before the pace of one new house a day was struck, and that the month of November has started out as it has indicates a busy winter in home building in this prosperous city.

All over the city residents are making repairs and additions, showing an interest in the appearance of their homes.

The first two weeks of November saw thirty-three building permits issued by the inspector. It was only two years ago that thirty-three permits per month was thought to be a good average, and that included permits of every kind. But Santa Ana is building up a great deal faster than it did two years ago. The growth is accelerated, but as steady as a clock. Out of the month's operations came permits for two \$4000 residences, one for W. M. Crane at 508 South Birch, and one for James Alexander, of the Santa Ana postoffice, at 1018 Spurgeon street.

Two new houses have been commenced on South Main street, and there is a report that one of the few old houses on that street is to be removed and an apartment house to take its place.

## NEW BUILDING FOR N. GLASSSELL

Orange News: J. D. Moore has started the erection of a new one-story building on North Glassell street, the site adjoining his building which is being remodeled into a theater. The new building will be located to the south.

Contractor F. V. Pruitt is in charge of the work and the foundations are already partially completed. The dimensions of the building will reach 18 feet in width and 50 feet in length. It will be constructed of corrugated iron, with interior plastered and plate glass front. The north wall will be of brick.

It is expected that the building will be completed in about thirty days. It has not yet been leased.

## VALENCIA RANCHER GOT \$2500 AN ACRE

FULLERTON, Nov. 15.—William J. Smith has sold his ten-acre place two miles southeast of Fullerton, to Frank Hall of Milwaukee for \$2500 an acre. The property is in eight-year-old Valencia oranges and has a good seven-room residence and out-buildings. The grove brings in a big income as it has been well cared for by Mr. Smith, therefore it calls for a good price. Mr. and Mrs. Hall will locate on the place at once and Mr. Smith will buy another place near Fullerton.

## Only a Fire Hero

but the crowd cheered, as, with burned hands, he held up a small round box. "Follows!" he shouted, "this Bucklin's Arnica Salve I hold, has everything best for burns." Right also for boils, ulcers, sores, pimples, eczema, cuts, sprains, bruises. Surest cure. It subdues inflammation, kills pain. Only 25 cents at all druggists.—Advertisement.

## INTEREST IN THE RANCHES

Some of the Factories Have  
Bought Acreage Property in  
Last Few Weeks

Men who are watching the real estate market hereabouts state that there has been a great deal of interest in ranch property recently, more than usual, and a good many deals have been made and more are under way. The election seemed to make no difference whatever.

Some of the sugar companies have recently secured control of several pieces of acreage property. The Holly Sugar Company of Huntington Beach has bought some land. This week the Southern California Sugar Company of Santa Ana paid \$24,000 for eighty acres of land adjoining the Santa Ana sewer farm. The purchase was made from a syndicate formed by John McPadden, J. Wiley Harris, R. J. Thompson, V. E. Blodgett and C. W. McNaught, former city trustees, and C. L. Flack of Stockton. This syndicate was formed in order to straighten out a sewer farm tangle that occurred three or four years ago. The city trustees had contracted to buy the land from Flack for the city for a sewer farm, but suit was brought, and the city had to give up its plan. The syndicate was then formed to take over the land that the trustees had agreed that the city should buy from Flack and John McFadden. The land cost \$12,000. This week it was sold for \$24,000.

Along the Santa Ana river in the section between Anaheim and Orange is a section of fine orchard land. Pumping plants furnish plenty of water. This week H. T. Duckett and L. J. Carden bought a fine two-year-old Valencia orange orchard, twenty acres in this section from an Anaheim man. In Santa Ana a number of sales of lots for building new homes have been reported.

## \$10,000 CHURCH AT HUNTINGTON BEACH

HUNTINGTON BEACH, Nov. 15.—The Methodists of this city at a meeting held by the trustees last evening unanimously decided to build a church in Huntington Beach to cost \$10,000, at the corner of Eleventh street and Orange avenue. The present church building will be sold and the lot is to be purchased by the Woman's Club as the site of a clubhouse. Plans for the church building will be secured at once and work on the building will be begun as soon as these are accepted.

## BUILDING PERMITS ISSUED DURING THE PAST WEEK

To Santa Fe, two section houses, \$500 each.

To Mr. Brisindine, with R. S. Sumner, contractor, 6-room bungalow at 422 West First, \$2200.

To Mrs. Granville Spurgeon, with G. R. West contractor, repairs at 1382 North Broadway, \$200.

To Southern Counties Gas Company, with G. R. West contractor, barn and garage at Second and Sycamore, \$100.

To N. A. Uim, with G. R. West contractor, repairs at Grand Opera House, \$75.

To F. H. Case, with G. R. West contractor, repairs at 413½ West Fourth, \$40.

To F. A. Fones, 6-room bungalow at 1709 West Third, \$1000.

To Mrs. T. Vance, with James O'Brien contractor, addition at 420 West First, \$250.

To Otto Russell, with A. C. Black contractor, addition at 1107 French, \$200.

To James Alexander, with H. A. Skiles contractor, 7-room residence at 1018 Spurgeon, \$4000.

To Miss Doolittle, with H. A. Skiles contractor, 5-room bungalow at 415 Chestnut, \$1500.

To E. R. Majors, with W. N. Carter, Jr., contractor, 7-room bungalow at 629 South Main, \$1250.

To G. C. Pickering, 6-room bungalow at 826 South Main, \$1250.

To J. J. Peters, 5-room bungalow at 1127 West Fifth, \$1500.

To Mrs. N. Boone, with E. R. Walker contractor, 4-room bungalow at 2015 North Main, \$800.

## COUNTY GO AHEAD FASTER THAN EVER

Santa Ana Bulletin: Now watch Orange county forge ahead at a more rapid rate than ever. The people of Orange county never did a wiser thing than when they carried the road bond election. It is the greatest advertisement Orange county ever received, and we will all profit thereby. When these roads are completed, Orange county will rank with the best of Southern California for good roads. It will prove to be the best investment this county ever made, and we feel sure that most of those who opposed this bond issue will rejoice later on that the bonds carried. Watch us grow.

## Tustin Correspondence

By Miss Florence Stone

Black 5093 Corner First and B Streets

## MOSHER LECTURE GREATLY ENJOYED

Large Attendance; National 'Y' Worker Spoke Eloquently and Instructively

Miss Rhena Mosher, national secretary of the Young People's Branch of the Woman's Christian Temperance Union, came Tuesday evening as announced and gave to the people of Tustin a splendid lecture along the line of temperance from an economical standpoint. She proved herself to be a very resourceful and well informed person.

A large number of the "Y's" and others greeted her at the Advent Christian church, and all were interested to the last moment. Chas. Deaver presided.

Rev. Blew led the devotional services. Special music was given by Charles Deaver and the Misses Alice and Inez Phinney.

Wednesday morning Miss Mosher gave an excellent address to the pupils of the Tustin schools, the pupils showing their interest in her lecture by their undivided attention. It is hoped that Miss Mosher will come to Tustin again.

## W. C. T. U. Meeting

The ladies of the W.C.T.U. gathered in goodly numbers at the home of Mrs. A. L. Shatto Thursday afternoon. The meeting was opened by singing "Some Glad Day." Mrs. H. H. Forline led the devotionals, choosing for scripture reading the first Psalm. Mrs. Spence led in prayer.

Petitions were presented and anxiously urged against the use of alcoholic beverages being served at class functions in the state university. A number of the ladies who had not had an opportunity to sign the anti-cigarette petition did so. Those who have not signed one of these petitions will find one at the home of Mrs. Shatto.

Plans were then made for the coming teachers' reception, which has become an annual event. The reception this year will be in the nature of a banquet, and the teachers and all the W.C.T.U. ladies and their husbands are invited. This is the most important event in a social way in Tustin, and the ladies are working hard to make it a success.

The union regrets very much the loss of one of its members, Mrs. H. H. Forline.

The ladies enjoyed very much the lecture given by Miss Rhena Mosher, national W.C.T.U. worker. A collection of \$6 was taken.

## PERSONALS

Mrs. H. Van Horn from Imperial Valley visited Mrs. Claude Martin Saturday. She had been here to attend the funeral of her husband's mother, Mrs. D. Van Horn, whose sudden death was noticed last week in this department.

Friends of Mrs. Margaret Crawford, who is in her eighty-ninth year, are pleased to know her health is improving and that she is able to do her own work. A special cause for thankfulness is her improved eye sight.

Miss Ida Mitchell, formerly of Tustin, has purchased a home in Santa Ana at 111 Pine street.

Mrs. Coad from Danville, Iowa, is visiting her daughters, Mrs. Lincoln Marchant of Tustin and Mrs. Ed. Seston of Santa Ana.

Miss Florence Stone is visiting in Riverside for a time. She expects to return to her home on D street next week. Her friends will be glad to see her in Tustin once more.

Mrs. Coad of Iowa, visited her former friend, Mrs. Packwood, of C street, Wednesday.

Rev. Shannon and family spent the day Thursday at the hospitable and pleasant home of Mr. and Mrs. Bowman, on Red Hill avenue.

Mr. and Mrs. C. F. Osborne from Detroit, Mich., are visiting their relatives, Mr. and Mrs. A. E. Bennett and Mrs. Vandermolen. It is the intention of Mr. and Mrs. Osborne to make their future home in Southern California.

Chas. Artz made a business trip to Los Angeles Wednesday.

A. E. Bennett has gone to Tulare on business.

Mrs. J. C. Stearns and Mrs. Chas. Artz are shopping in Los Angeles today.

Mr. and Mrs. John Kiser are pleasantly situated in their new home on Second street, that is daintily furnished as is befitting a newly married couple starting a new home.

Miss Rhena Mosher, national secretary of the Y.P.B., was entertained by Mrs. Shatto, president of the local W.C.T.U.

Messrs. Will and Ed. Ferrell have gone north to be with their brother, who has had a stroke of paralysis.

Miss Olive Doherty goes to South Pasadena today to spend the weekend.

N. N. McClure was entertained while in Tustin by Mrs. Chas. Willard. Mr. McClure is the field representative of the Board of Ministerial Sustentation of the Presbyterian church.

During the past, at the present and in the future—the telephone users best friend. The Home Telephone Company.

Don't forget to attend Raymond's Great Reduction Sale, now going on.

## PROTEST AGAINST STREET CONDITION

Tustinites Would Have City Fathers Waken up to Un-sightly East First St.

The people of Tustin and of east Santa Ana are wondering how long the Santa Ana city fathers are going to leave East First street in its present deplorable condition. It is so full of holes and mud puddles with the slightest rains that it is a disgrace to the town. How different it looks a few steps just outside and beyond the city limits, where our worthy supervisor, Mr. Leck, has been untiring in his duty in keeping his end of the work in good shape.

Can we not wake up our city fathers to their duty in doing something for First street east of the railroad tracks leading to Tustin, where they delight to motor with their visitors to show the beauty spot of Orange county? Think about it.

## SOCIETY AND CLUBS

### C. E. Meeting

The monthly business meeting of the Christian Endeavor Society was held at the manse with Rev. and Mrs. Blew, Tuesday evening.

### Missionary Society

The Missionary Society of the Advent Christian church met at Mrs. Ferrell's Tuesday and tied two comforts for A. R. Long to present to his wife as a surprise.

### Ware Dinner Guests

Rev. and Mrs. Blew and children took dinner with Mr. and Mrs. Cranston Wednesday evening.

### Tustinites Entertained

Mrs. James S. Rice and Mrs. Sam Nau were guests of Mrs. Jack Porter of Orange last Tuesday afternoon and in the evening these two ladies were dinner guests of Mr. and Mrs. Fred Rafferty of Santa Ana.

### Coreopsis Club

The Coreopsis Club met with Mrs. House Wednesday afternoon. Beautiful designs in embroidery and fancy work of different kinds for Christmas gifts were the occupation of the busy fingers of the members present. Dainty refreshments were served.

The ladies present were: Mrs. Ed. Smith, Mrs. Chas. Lambert, Mrs. E. Mount, Mrs. F. Stearns, Mrs. J. Stearns, Miss Edith Alderman, Mrs. Hart, Mrs. Chas. Artz and Mrs. Mahn. The next meeting will be postponed, on account of Thanksgiving, until four weeks from Wednesday, when the club will meet with Mrs. McDonald in Santa Ana.

### Birthday Party

Monday Mr. and Mrs. Shatto, the Misses Long, Doherty, Hunter and Turner attended a birthday party given Miss Ethel Shatto by her sister, Mrs. Hanson, at the home of the latter in Santa Ana.

### Literary Section

The Tustin Literary Section of the Ebell Club will meet next Tuesday afternoon with Mrs. D. L. McCharles.

### For Mrs. Forline

The members of the Woman's Berean Bible Class of the Presbyterian church, whose motto is, "We do things," gave a party in honor of Mrs. H. H. Forline at the residence of Mrs. Turner, our faithful postmistress and a member of the class, who invited and gave the class a most cordial welcome to her beautiful new home situated out near the foothills that can be seen from her home so beautifully outlined against the blue sky. The residence is surrounded by a fine young lemon grove of twenty acres.

The ladies responded to the invitation in the same cordial spirit in which it was given. Not only members of the class were invited, but other friends were included in the invitation.

Fancy work, visiting and a luncheon as hearty as the welcome, made the afternoon all too short, and only the setting sun was a reminder of the lateness of the hour, warning the guests that it was time to say their farewells.

During the afternoon Mrs. Eells, in behalf of the class, presented Mrs. Forline with a brooch of gold and pearls as a token of love and esteem for the one who had been so faithful as a Bible teacher.

Those present included Mrs. Turner, the hostess; Mrs. Forline, complimented guest; officers and members of the class as follows: Mrs. Eells, teacher; Mrs. Marshall, class president; Mrs. Pollard, class secretary; Mrs. Hatfield, class treasurer; Messames Rawlings, Lawrence, Dryer, Lelley, Moores, Cox, Spence, Colgan, Stearns and daughter Helen, and Miss Florence Stone. Other guests were Mrs. J. H. Sturgeon of Santa Ana and Mrs. Allen of Tustin.

### How to Keep Butter

Take one churning at a time. Wash in cold water until all the milk is out, work with a wooden paddle and use new earthen jars. Work every churning smoothly. Sprinkle with a little salt and a little sugar, then pack with a thick dry cloth. Repeat this between every layer until the jar is filled, then pack a thick layer of salt on top of your dry cloth. Cover tightly, put away in a cool place and the butter will keep sweet as long as you want.

## TUSTIN SCHOOL IS BUSY PLACE

Attendance Large and Interest Good—Preparing for Xmas Program

One of the busiest places in this community is the Tustin school. The grammar grades are now busily reviewing and clinching the difficult parts of the first period's work, preparing for the first examination.

The fine weather and the good attendance has helped to make an excellent showing in the work of every department of the school.

Several of the rooms are much interested in raffia weaving, in their industrial work. The children are delighted and pleased with their work. In the sixth, seventh and eighth grades the boys are doing wonderful work in the Sloyd department, and yet but one hour per week can be found to devote to it.

The opening exercises are both helpful and interesting, including current as well as cultural topics.

The school Christmas program will be given Friday, Dec. 13, just before closing school for the holidays. Parts are already being assigned and rehearsals have already begun.

### Attended Funeral

Thursday Mr. and Mrs. C. F. Willard and their two older children went to Los Angeles to attend the funeral of J. D. Cathey, an uncle of Mrs. Willard, who for some years had made his home with Mrs. E. H. Hess of the Hotel Baltimore. Mr. Cathey was ninety years of age and had lived in California twenty-five years. He was born in Ontario, Canada. A few years of his long life he lived in Michigan, where he married.

### Fresh Vegetables

In passing down Main street, one is convinced of the fact that it is not necessary to go to a larger town or to the city for fresh vegetables, fruits and other good things to eat.

Quantities of fresh lettuce, young onions, beautiful large heads of cauliflower are among the appetizing collection to be seen.

### New Home Under Way

A new house is being built on A street, opposite the Shatto property.

## CHURCH NOTICES

### Tustin Revival Meetings

Rev. Shannon, lately from Oklahoma, is conducting revival meetings in the Advent Christian church. He is a very forceful preacher and Wednesday evening used a large chart for illustration. The audience has been doubling from night to night.

Mrs. Leck and Mrs. Shepard decorated the church with smilax and roses to the delight of all.

The revival meetings are held each evening and the Sunday services will be held in connection with them both morning and evening. The meetings will probably continue next week. All are most cordially invited to come and help in them.

### Presbyterian Service

The Rev. E. F. McFarland, a missionary from Korea, will preach Sunday morning at the Presbyterian church.

There will be no services Sunday evening at the Presbyterian church on account of the county Christian Endeavor convention at Santa Ana.

The delegates chosen at the Christian Endeavor meeting to attend the convention at Santa Ana were Miss Inez Phinney and Miss Emma Awe.

### Presbyterian Mission Society

The Presbyterian missionary meeting will be held next Thursday afternoon at the church. Topic: "Mexicans in the United States." Leader, Mrs. Utt.

### AT THE COURTHOUSE

## SUIT IS OVER THE BOUNDARY

Strip of Land Along Edge of Townsend's Property Subject of Trial in Court

Yesterday Judge West received a portion of the testimony in the action brought by B. F. Townsend against Anna L. Reeder to settle the location of a boundary line between properties owned by them. The principal question involved is whether or not the location of a fence for over a period of five years gives title to the strip to the defendant.

Townsend owns seventeen acres on Hickey street. The piece was originally twenty acres. Three acres were sold out of one corner. Townsend now owns the seventeen acres and Mrs. Reeder, formerly a resident here, now of Long Beach, owns the three acres. There is a fence near the boundary line. Townsend asserts that this fence sits over on his land a distance of five feet to three feet. Engineer Finley and Surveyor McBride were witnesses put on the stand yesterday by Attorney H. C. Head for the plaintiff, establishing the exact boundary line. The defense is evidently relying on possession and the period of location of the fence. The trial will be continued on November 22. Mrs. Reeder is represented by Attorneys J. H. Bell and W. H. Thomas of Santa Ana and J. W. Wright of Long Beach.

as of Santa Ana and J. W. Wright of Long Beach.

### Terminate Estate

Lewis Buell has petitioned the Superior Court for an order terminating the life estate of William R. O'Brien in two pieces of property in Santa Ana. O'Brien died on September 5, 1907, and Buell asserts that the title then vested in him. W. H. Thomas is attorney for the plaintiff.

### To Quiet Title

Joseph Fiscus has brought a suit to quiet title against Leotia K. North, an administratrix of the estate of R. J. Northam. Tipton & Cailor represent the plaintiff.

### Marriage License

Fred H. Heinrichson, 65, and Margaret Edwards, 60, both of Garden Grove.

### IN THE JUSTICE COURT

## DELHI BLIND PIG CASE ON

Hernandez Has Two Lawyers and an Interpreter to Make a Fight for Him

If gathering together a defensive cohort is to be judged from the standpoint of financial resources Feliciano Hernandez of Delhi has been doing no small amount of booze selling. This morning Feliciano came into court for his preliminary examination on a charge of selling beer and whiskey in no-license territory. When the case was called there lined up beside the fleshy defendant two slender Los Angeles lawyers and a medium-sized Spanish interpreter. There were gathered together in the courtroom some fifteen or twenty residents of Delhi, friends and relatives of the man charged with running a blind pig.

District West's principal witnesses were J. B. Ramsey and his son, Merle Ramsey. They stated that they bought both whiskey and beer from Hernandez. The bottles secured by them were labeled and turned over to Under-Sheriff Squires, and the contents were analyzed by Dr. J. M. Burlew, who found the whiskey to contain forty-five per cent alcohol and the beer six per cent.

Hernandez was held to answer for trial in the Superior Court.

**Did Not Tell Truth**

Lawrence McIntosh, Frank Adams and John Gilroy, arrested by Officers Lacy and Ryan, were today sentenced to jail for fifteen days each. This trio were caught wandering around the streets late Wednesday night, and their anxiety to get away leads the officers to suspect that they are wanted elsewhere. Investigation proved that the stories they told were false.

**De Rosa Gives Bail**

Albert I. De Rosa, charged with perjury in that he swore the girl he mar-

ried was 21 when she was but 16, was taken before Justice Cox last night about 6 o'clock, and he gave bail of \$750 for his appearance in court on November 27 for his preliminary examination. De Rosa is a printer employed in Los Angeles, and his employers arranged for his bail. Today De Rosa and his wife were here with their attorney, Leo Youngworth of Los Angeles.

**Jury Disagreed**

At Huntington Beach yesterday before Justice Shirley District Attorney West conducted a prosecution against Joe Lewis, a poolroom man, on a charge of disturbing the peace of City Marshal E. L. Vincent of the beach city. The warrant was issued from the justice's court here, but on the motion of the defense the trial went to Huntington Beach. The case was tried with seven jurors, and they disagreed four to three.

**They Are All Doing It**

—But there is only one Chad-cayne, and he's doing it right. So if you are going to have your old hats cleaned, take them to Chad-cayne, the Hatter, now at 111 East Fifth street, with Kaneen the Tailor. He makes the old hats new again.

VALESKA SURATT, AT GRAND OPERA HOUSE, WEDNESDAY, NOV. 11

### AMUSEMENTS

New York is apparently never satisfied unless it has a new dance to talk about. Since the Salome craze, which came just after "The Merry Widow" waltz, the stage has been running to "turkey trots," "todalos," "Barbary Coast wiggles," and the Russian brand. This season has opened up with the good old polite American steps to the front, and the well-known dancer, Martin Brown, has set New York talking by a new dance which he has introduced in "The Kiss Waltz," the Viennese operetta in which the Messrs. Shubert are starring their queen of beauty, Valeska Suratt.

The dance is the trio done by two women and a male instructor. First they do a whirling two-step, the three dancing together. This is followed by a slow waltz and a spirited schottische. The New York critics claim the new figure is the prettiest trio dance of the season. The "Sun" says it is sensational without being vulgar, and adds: "There are innumerable dances in 'The Kiss Waltz'—more than in the ordinary musical comedy or operetta—and we are glad to be able to say none of them are of the disgusting 'drag' type."

### Flagged Train With Shirt

Tearing his shirt from his back an Ohio man flagged a train and saved it from a wreck, but H. T. Alston, Raleigh, N. C., once prevented a wreck with Electric Bitters. "I was in a terrible plight when I began to use them," he writes, "my stomach, head, back and kidneys were all badly affected and my liver was in bad condition, but four bottles of Electric Bitters made me feel like a new man." A trial will convince you of their matchless merit for any stomach, liver or kidney trouble. Price 50 cents at all druggists.—Advertisement.

8:15 Address, "Essentials in Successful Christian Work," Rev. Howard W. Kellogg, D. D., of Occidental College.  
9:00 Benediction, Rev. W. L. C. Samson.

## HAMILTON'S PAPER DESCRIBES THE BOY SCOUTS OF AMERICA AND MOVEMENT'S BENEFITS

The following is a paper descriptive of the Boy Scout movement, read by R. J. Hamilton at the meeting held at the United Presbyterian church on Wednesday evening. At this meeting a council was organized for the purpose of pushing the movement in Santa Ana and vicinity.

The Boy Scouts of America provides one of the best methods of work with boys along practical, uplifting, educational, and character-building lines. It is a method rather than an organization, as the ideas can be adopted in whole or in part by any existing agency working among boys; it can be added to the work of a boys' club or Sunday school class, by a boys' brotherhood or any kind of a boys' club without changing the name of the organization. It aims to direct the recreation hours of boys in useful and helpful ways. It gives the boy with little to do in his spare hours many practical things to learn to do. It unites together a few congenial boys with a noble, high-minded young man as leader, with the idea of mutual betterment and harmless recreation.

Before explaining the methods and ideas of the Boy Scouts it might be well to answer some of the questions most frequently asked in regard to the Boy Scouts. One of the first of these is the relation of this Boy Scout movement to the one which was managed and financed by a prominent owner of a syndicate of newspapers throughout the United States. In reply I would say that there is absolutely no connection between the two. This other movement was called the American Boy Scouts and was organized in America before the Boy Scouts of America. The methods of work of the two are radically different, and most of the objections against the Boy Scouts have arisen from the criticisms of this organization, popularly known as the "Hearst Scouts." Since Mr. Hearst has dropped this work from his scheme of newspaper advertising, many of his patrons of Scouts have desired to associate themselves with the Boy Scouts of America. One of the conditions of making this change was that all military drills should be abandoned and no use of fire arms should be allowed.

Another mistake often made about the Scouts is that it is a Y.M.C.A. organization or that it belongs only to the Protestant denominations. This is not the case as the handbook clearly shows; religious teachings are entirely excluded from its work, leaving it to the leader of the individual teacher or patrol what shall be done along this line. A Sunday school teacher can use it as a means of getting closer to the members of his class so as to help him in molding their characters, a Catholic young man can organize a patrol and

train the boys along character-building lines as he sees best, or a Rabbi can introduce it as a part of his church work.

A Boy Scout takes an oath as follows: "To do my duty to God and my country, and to obey the scout law; to help other people at all times; to keep myself physically strong, mentally awake, and morally straight." The scout law as now printed in the latest handbook has twelve requirements: A Scout is trustworthy, loyal, helpful, friendly, courteous, kind, obedient, cheerful, thrifty, brave, clean, and reverent. There are three classes of scouts, tenderfoot, second-class and first-class. After this there are all sorts of advance degrees open to first-class scouts to attain to by which they can obtain badges for proficiency in agriculture, angling, archery, architecture, art, astronomy, athletics, automobile, aviation, bee farming, blacksmithing, bugling, business, camping, carpentry, chemistry, civics, conservation, cooking, craftsmanship, cycling, dairying, electricity, firemanship, first aid, forestry, gardening, handicraft, horsemanship, invention, life saving, mining, music, ornithology, painting, pathfinding, personal health, photography, pioneering, plumbing, poultry farming, printing, public health, scholarship, sculpture, signaling, surveying, swimming, etc., etc.

To become a tenderfoot, a boy must be at least twelve years of age and pass a test in the following: 1. Know the scout law, sign, salute and significance of the badge. 2. Know the composition and history of the national flag and the customary forms of respect due to it. 3. Tie four of the following knots: Square or reef, sheet-bend, bowline, fisherman's sheepshank, halter, clove hitch, timber hitch, or two half hitches. He then takes the scout oath, is enrolled as a tenderfoot, and is entitled to wear the tenderfoot badge.

To become a second-class scout a tenderfoot must pass the following tests: 1. At least one month's service as a tenderfoot. 2. Elementary first aid and bandaging. 3. Elementary signaling. 4. Tracking. 5. Scout's Oath. 6. Use properly a knife or hatchet. 7. Fire building in the open. 8. Camp cooking. 9. Earn and deposit at least one dollar in the bank. 10. Know the 16 principal points of the compass.

The requirements to become a first-class scout contain many things of great value in the practical education of a boy, and much that would add to the pleasure of anyone to know.

Whether a boy ever gets into a patrol or not the Handbook would be a splendid book for him to have in his library. Chapter one takes up Scouting, explaining all that a boy wants to know about the movement. Chapter two is on woodcraft and takes up woodlore, bird study, shells, reptiles, insects, fish, rocks, flowers, trees and wild animals. Chapter three is entitled campcraft, and includes articles on camps, tent making, canoeing and camp cooking. Chapter four is by Ernest Thompson Seton and is on tracks, trailing, and signaling. Chapter five is by Dr. George J. Fisher, secretary of the physical department of the international committee of the Y.M.C.A., and is about health and endurance. Chapter six is on chivalry. Chapter seven is on first aid and life saving, and is worth many times the price of the whole book for the information it contains. Any adult can well afford time to study this chapter. Chapter eight is on games and athletic standards and contains much that could be used by a teacher in the school yard or by boys in their games together. Chapter nine is on patriotism and citizenship. It is certainly a book that would prove valuable to any one who takes time to read it.

The secret of making the Boy Scouts a success is getting the right leaders for the individual patrols. A patrol consists of eight boys and three patrols constitute a troop. A troop is under the leadership of a scoutmaster, who must be at least twenty-one years of age. These must be satisfactory to the local council in order to receive a certificate to take charge of a patrol or troop. The great work of this council which is to be organized tonight is to see that sufficient scoutmasters of the right kind are provided and that they keep their work up to the high standard of the boys of the community to get this work going soon and get it going right.

## WORLD'S GREATEST CATARRH REMEDY

Just breathe Booth's HYOMEI for five minutes and the penetrating antiseptic air from the Eucalyptus forests of Australia will soothe the sore Catarrhal membrane and give wonderful relief.

Being such an efficient remedy; absolutely free from harmful drugs, the Rowley Drug Company is willing at the makers' request to guarantee HYOMEI for Catarrh, Croup, Catarrhal Deafness, Coughs, Colds, Sore Throat and Bronchitis of money back. The little book in each package tells how simple it is to get rid of all these distressing diseases. Complete HYOMEI outfit including pocket inhaler, \$1.00; extra bottles, 50 cents at dealers everywhere.

## False Report Denied

In regard to the report that I have gone out of the electrical business and left town, I wish to say that it is an absolutely false report and that I have never entertained such a thought. I have too many friends in Santa Ana to think of leaving.

Now Located at 305 North Main

I have leased the building now occupied by the Western Union Telegraph Company, at which place I am now located in the office with said company. I expect to have entire building in a short time. Will put in a complete, new, up-to-date line of Electric Fixtures and supplies. All electric wiring done on short notice and absolutely guarantee all work to be satisfactory.

Call me up, estimates furnished. Same telephone numbers, Main 134, Home 138.

## CONVENTION IS NEXT WEEK

Sunday Schools to Send Delegates to Gathering at Redlands Tuesday

The twenty-third annual convention of the Southern California Sunday School Association will be held at Redlands in the First Methodist church commencing next Tuesday at 1:30 p. m. and continuing through Wednesday and Thursday. All Sunday schools are urged to send delegates, and as many as possible, and Redlands will entertain on the Harvard plan, viz., lodging and breakfast for all who pay the registration fee of 50c. It is to be hoped Santa Ana will send a large delegation.

The program is full of good things. There are several new Sunday school workers having prominent places on the program. Santa Ana supplies three speakers, Rev. Chas. Secombe, W. H. Thomas and R. J. Hamilton.

Mr. W. C. Pearce, International Superintendent of Adult Bible Classes, will be in the convention throughout the time. Those who have heard him will want to hear him again. Among the other speakers may be mentioned Mr. Chas. R. Fisher, General Secretary of Northern California Sunday School Association; Judge Curtis D. Wilbur, Prof. J. H. Montgomery of U. S. C. Rev. E. J. Mescham of Cincinnati, O., Miss Blanche Wadsworth, late of Pittsburgh, Pa., but now the salaried Superintendent of Temple Baptist Sunday School; Mrs. Grace Van Zant of San Diego, Mrs. J. A. Walker, Colorado; Rev. Miles B. Foster, San Francisco; Rev. Henry K. Booth, Dr. Wm. Horace Day, Dr. H. A. Hadden, Prof. John G. Hill, U. S. C., Dr. Wm. Baird Craig, the new General Secretary for Southern California; Dr. H. A. Dowling, Miss Rose Scott, Miss Meme Brockway, Mrs. H. A. Dowling, Prof. J. A. Baber, Dr. Oren B. Waite and many others.

Those going should buy tickets here and get certificate and the return will be sold for one-third the regular fare.

All graduates of teachers' training classes are especially urged to attend.

—24 hours each day, 7 days each week, 52 weeks each year, always on the job. The Home Telephone Company.

## RINGS

FOR HER AND FOR HIM

We offer you a large selection of rings that are the product of the highest jewelry art.

Every style will be found here in plain and stone-set designs.

Whatever your desires may be, in price or design, you can come here with the absolute assurance that you will be able to find good value, correct style and artistic in execution. We shall esteem it a pleasure to show you our selections.

## Strength

The strength of a banking institution consists not alone in its financial resources but also in the character and ability of its officers and directors and in the confidence and loyalty given it by the community of which it is a part. These banks are pre-eminently strong in ALL respects.

## Service

The proper conception of a banking institution's duties and privileges includes service to its community. A bank must pay its stockholders a fair rate of interest in order to secure and hold investments in its stock; but its duty does not end here; it must also render REAL SERVICE to its community in the way of public enterprises and private support. These banks point with pride to their records in these respects.

## Solvency

A banking institution to be really and truly solvent must have more and other assets than merely money and credits in excess of its money liabilities. It must have a surplus of character, a reserve fund of reputation, a credit balance of experience, large and moral resources. These banks invite examination as to their moral solvency.

## The Kansas Tin Shop

(213 East Fourth St.)

Has sold many thousand feet of galvanized corrugated iron during the past two weeks and has a big lot left and the price is steady at 4 1/4 cents per square foot.

We have a large stock of cooking and heating stoves for burning coal, wood, gasoline, oil and gas, and our stock of iron pipe and plumbing goods is equal to any in Southern California.

Our stock of general hardware is equal to all the demands of this section of the state and when the demand shall have increased we shall add to our assortment of goods such things as will supply the demand.

If you don't see what you want, ask for it.

S. HILL & SON.

## AERIAL DEPOT FOR ARMY AT SAN PEDRO

Similar Stations Along all of  
Pacific Coast; Biplanes for  
Every Harbor

Los Angeles Examiner: Establishment of a chain of aerial depots as an auxiliary to the Coast Artillery Corps, and which will extend by easy stages from the Mexican boundary at San Diego through San Pedro, Santa Barbara, Monterey, San Francisco and Seattle to the Canadian line, is the nucleus of a plan recently adopted by the War Department for a more mobile defense of the Western Coast. This is according to Lieutenant Augustus Norton of the Coast Artillery Corps, who arrived recently at the Alexander.

Quite and unostentatiously, a few of the chosen officers of the Coast Artillery Corps have been trained in the handling of biplanes. The Navy Department had, several years ago, taken up aeronautics and proved the wide range of service that could be obtained from an aeroplane. The army followed with spasmodic attempts along the Mexican border in Texas and proved the utility of the flying machine.

According to reports the defense of the Pacific Coast by aeroplanes was held in abeyance until the practicability of the flying machine in warfare had been proven. With the successful operation of the flying machines by the Navy Department and the experiences of the War Department along the border, the long expected plan for a mobile flying corps along the Pacific Coast has been unshaken.

Lieut. Norton, whose station is in San Francisco, has been selected as the first officer of the Coast Artillery Corps to handle a biplane in the new chain of stations. His mission to San Diego, he states, is to assist in the selection of a suitable site for an aerial station for the army, which will be probably adjacent to the present navy station on North Island.

Lieut. Norton will later come to Los Angeles and assist in the selection of a site at San Pedro for the second of the aerial depots. Then, in rapid sequence, will come the location of depots at Santa Barbara, Monterey, San Francisco and Seattle until there will be no space from the Mexican to the Canadian border which will not be possible of being covered by the new flying auxiliary.

"The War Department has entered into a contract for the building of a score of biplanes," said Lieut. Norton yesterday. "These are to be used in these coast depots."

"There will be nothing elaborate about the construction of these depots and they are simply the outcome of a knowledge that flying machines extend the field of operation and effectiveness of an artillery corps. In the matter of being prepared for eventualities a biplane enlarges the scope of our scouting territory. It will be possible, under this new idea of a chain of coast flying depots, practically to patrol the entire seaboard from San Diego to Seattle, and also to keep a keen eye on the ocean for a distance of at least fifty miles to sea."

It is understood the War Department has secured options on several sites in each of the locations desired. The final selection, it is said, is to be made during the next thirty days.

## AGRICULTURE HALL TO BE DEDICATED

Gov. Johnson to Preside at  
Dedication of Big New Building to  
State University

UNIVERSITY OF CALIFORNIA, Nov. 15.—Agriculture hall, the big new structure built by the state on the university campus and the last addition to the group of 33 buildings, will be officially recognized as a part of the educational equipment of the college next Wednesday.

At that date the ceremonies of dedicating the hall will be conducted by the state executive.

The exercises will begin at 11 o'clock in Harmon gymnasium, cadet drill and university classes being suspended for the hour. At the gymnasium, E. P. Clark of Riverside, Judge Peter J. Shields of Sacramento and President Benjamin Ide Wheeler of the university will deliver addresses.

A procession will then be formed, with the cadet band, the 15 companies of cadet regulars of the university and the regents of the state school in order, followed by the public and this will wind its way over the campus to the knoll where Agriculture hall stands.

There, Governor Johnson, who is president of the board of regents of the university, will dedicate the building in the main address of the day. Dr. Eugene Hilgard, professor emeritus of agriculture and national authority on soils, will also speak before the building. Prof. Thomas F. Hunt, the newly arrived head of the Agricultural college at Berkeley to succeed Dean Edward J. Wickson, is to be officially invested in his office during the exercises.

An open house will be held by the faculty of the agricultural department for the rest of the day, at which time the public may visit the hall. The lecture rooms and offices of the building have been occupied since September.

**A Great Building Falls**  
when its foundation is undermined, and if the foundation of health—good digestion—is attacked, quick collapse follows. On the first signs of indigestion, Dr. King's New Life Pills should be taken to tone the stomach and regulate liver, kidneys and bowels. Pleasant, easy, safe and only 25 cents at all druggists.—Advertisement.

Olive Heights, Growers Ft. Co.	4.00
Plain Ends, Growers Ft. Co.	2.85
Windermere, Windermere Ranch	2.60

PHILADELPHIA, Nov. 14.—One car Valencia sold; also nine cars Florida. Florida oranges, \$1.15 to \$1.35. Grapefruit, \$1.60 to \$2.75. Market is steady.

LOS ANGELES PRODUCE MARKET

A large shipment of very fine avocados arrived from Mexico yesterday and were selling at \$4.50 a dozen. Most of this fruit is usually disposed of to the hotels, and is considered a rather epicurean dainty. Persimmons were on the market in large quantities, and brought from 7 to 9 cents a pound. Pomegranates were somewhat cheaper on the average. Good stock could be secured for \$1.10 a box. The best pears were selling at 7 cents a pound, but a considerable portion of the stock brought about 5 cents. Receipts of apples were 2730 boxes.

Vegetable prices were in the main unchanged; there is, however, a growing strength in the sweet potato market, owing to the retention of a portion of the supply for the winter demand. Receipts were fifty sacks. Tomatoes are selling generally from 50 to 75 cents a box, although in certain instances they can be obtained as low as 35 cents. The market on beans, potatoes and onions was practically unchanged. Receipts of onions were 600 sacks, and 1184 sacks of beans and 624 sacks of potatoes came in.

Northern cheese was sold as low as 17 1/2 cents yesterday, and the market is still somewhat weak. Receipts were 265 pounds. Forty-three cases of eggs came in, and there were no changes. If the demand increases to any extent there is likely to be an advance in ranch eggs. The market is firm. Butter receipts were 34,827 lbs.

## CHARTER OF THE CITY OF SANTA ANA

(Continued from Page 11)

prepare and propose a Charter for said City. IT IS KNOWN, That in pursuance of said provision of the Constitution and within a period of one hundred and twenty days after said election, said Board of Freeholders has prepared and does propose the foregoing as for the Charter of the City of Santa Ana.

IN WITNESS WHEREOF, we have hereunto set our hands in duplicate this 23rd day of October, one thousand nine hundred and twelve.

W. C. ROBERTS,  
E. B. SMITH,  
W. B. TEDFORD,  
R. J. THOMPSON.

Attest:  
W. C. ROBERTS, Secretary.

## Conservation of Human Energy

Improved modern machinery has enabled this laundry to do the housekeeper's hardest day's work at such a nominal cost, that no man can afford to allow his wife to waste her energy and perhaps injure her health, trying to do her own washing. A trial will convince the most skeptical.

## EDUCATOR PLANS SCHOOL DANCES

Francis of Los Angeles Would  
Have Schoolhouse Dances  
for Young People

Los Angeles Tribune: In the near future there is to be presented before the city council by a member of that body a resolution calling for the opening up of the public school buildings to the young people of the city for the conduct of dances, to be supervised by school officials.

It is the belief that if permission is granted there will be an alleviation of the injury done by some privately conducted dance halls.

J. H. Francis, superintendent of schools, and a majority of the members of the city council are in favor of the schoolhouse dance plan, and yesterday announced they would willingly lend their support to any reasonable proposition of the sort.

Mr. Francis said: "The young people of the city enjoy dancing. It is an expression of their youth, and they will dance. I believe school gymnasiums should be utilized for public dances, if they can be held under strict supervision."

"The dancing should be wholesome, spirited and beautiful. I am in sympathy with any city council action which tends to provide clean forms of amusement for the young people."

"Our working young men and women should be provided with free entertainment certain evenings of the week. I believe school houses should be utilized for the betterment of the general public."

## CHAS. M. SHELDON TO BE EARL LECTURER

Author of "In His Steps" to Deliver Second Series of Lectures at Berkeley

UNIVERSITY OF CALIFORNIA, Nov. 15.—Dr. Charles Monroe Sheldon, D. D., has been obtained to deliver the second series of lectures on the Edwin T. Earl foundation at Berkeley. The first group this fall was given by Dr. Gifford of New York, in September, and the authorities in charge of the Earl series have gotten Dr. Sheldon to continue the public educational talks.

The two lectures given at this time are on topics of interest to students of the state university as well as of the denominational seminaries of Berkeley. Dr. Sheldon is an author with a wide reputation and it is expected that his fame in this line will draw many collegians to the series, which is free under the endowment of Mr. Earl.

"The Ministry and Its Place in the World" was the theme chosen by Dr. Sheldon for last night's address. Tonight he will speak on "Social Problems of the Church." The First Congregational church of Berkeley has been reserved for an auditorium. Members of the faculty of the Pacific Theological Seminary have charge of the foundation.

Dr. Charles Sheldon has had long experience in the pulpits of metropolitan churches of the East. He was born in 1857. After taking a collegiate course and receiving his degree, he became prominent in ministerial and literary circles. In 1889 he was called to the Central Congregational pastorate of Topeka. He is distinguished all over the United States as the preacher who, in 1900, conducted a Topeka daily newspaper as editor-in-chief during the entire week in accordance with his ideas of Christian daily living and conduct.

The lecturer's most famous work is "In His Steps," which has had one of the largest circulations of books of its kind in the country. Dr. Sheldon also has written the following: "Robert Hardy's Seven Days," "The Crucifixion of Philip Strong," and "His Brother's Keeper."

# MERCHANTS ALPHABET ADVERTISING CONTEST NO. 13

# \$1.00

An Educational Contest With \$1 Worth of  
Merchandise As a Reward for Reading the  
Following Advertisements. **DONT TELEPHONE; BRING OR  
MAIL YOUR ANSWERS.**

# \$1.00

In two of the advertisements printed below are two misspelled words. On the page is a coupon. Read over the advertisements carefully, locate the misspelled words; fill out the coupon, stating what words are misspelled and in whose ads they are found, then mail or bring it to the Register. All the coupons containing correct answers will be placed in a hat and two of them drawn, these two get the awards. Each of the two winners will be given an order for one dollar (\$1.00) in merchandise upon the merchant whose ad. contained the incorrectly printed words. All answers must be in the Register office before 2 o'clock on Monday afternoon. No one directly or indirectly connected with the Register will be permitted to take part in this contest. This contest will appear each Friday night. Address all answers to the Advertising Contest Manager, Daily Register. Remember, in making your answers, that abbreviation will not be counted as mistakes. Names and addresses of winners will be published in the issue following date awards are made.
